THREE AVIATORS DEAD FIRST DAY

Mineola, N. Y., Oct. 9.—Three aviators had been killed, four of the 62 originally entered planes had been definitely put out of the running and the status of several others remained unknown early today when the army's great trans-continental air race over a 5,400 mile course between Mineola and San Francisco was resumed.

PILOTS SCATTERED.

"Undismayed by the fate that befell their comrades yesterday on the first day of the great speed, endurance, and reliability test, pilots scattered out over the course from Mineola as far west as Chicago and from San Francisco east to Salt Lake City were up today with the dawn, eager to start the second day's gruelling test.

MINEOLA TO CHICAGO.

Given flying weather as good as that of yesterday, the leading planes from the east and those from the west should cross tra ls shortly after noon Yesterday Lieut. B. W. Maynard, the "flying parson," who led throughout first lap, covered the first 840 miles that separate Mineola and Chicago at a two-mile rate of speed. Eleven fliers from San Francisco covered the 618 miles from San Francisco to Salt Lake City. Thus the leading fliers from east and west covered a total of 1 458 miles and were separated this morning by only 1,242 miles.

MEN KILLED.

The men killed yesterday were Major D H. Crissey and his observer Sergeant Virgil Thomas, who met almost instant death in a crash at Salt Lake City and Sergeant W. H. Nevitt, observer for Colonel Gerald Brandt, whose plane crashed at Deposit, N. Y. Colonel Brandt was slightly injured.

OTHERS OUT.

Two other planes put definitely out of the race were those driven by Air Commodore L. E. O. Charlton, British aviation attache in the United States, and Lieutenant D. B. Gish. Commodore Charlton's plane fell at Ovid, N. Y., while Lieutenant Gish's crashed in flames at Canadice, N. Y. Lieutenant Gish had a passenger, Captain DeLavergne, aviation attache of the French embassy, the only other non-American participantin the race. All the remining contestants are American army aviators.

One aviator, Lieutenant J. G. Williams, who left Mineola at 10:18 a. m., yesterday, had not been heard from this morning and some fear was felt for his safety.

FORCED LANDINGS.

Three contestants who were obliged to make forced landings yesterday, hoped to get back in the race today. They are Lieutenant Ross Kirkpatrick, who descended at Vernon, N. Y., Lieut. Willis R. Taylor, who landed at Nicholson, Pa.

Five additional entrants were scheduled to enter the race at Mineola today.

Mineola, N. Y., Oct. 9.—Rain held up virtually all westbound flyers in the army's trans-continental contest early today at the control stations in Rochester, Buffalo, Bryan and Cleveland. Weather conditions around Chicago had sufficiently improved at noon to allow the westbound flyers to resume

Eastbound flyers encountered better weather and three pilots were enabled to leave Salt Lake City, Utah, early today for Green River, Wyo., 137 miles distant and 755 miles from the starting point at San Francisco.

FLYING PARSON LEADS.

Lieut Belvin W. Maynard, the "flying parson," led all other aviators in the distance covered. Yesterday he flew from Mineola to Chicago, 840 miles. He flew from Chicago to Rock Island, Ill., this morning and soon afterward arrived at Des Moines, Ia., 1,123 miles from his starting place. His total elapsed time between Mineola and Rock Island was 24 hours and 13 minutes, allowing for the difference of one hour in time.

THIRTY AT BUFFALO.

Thirty of the forty-eight machines leaving here had arrived at Buffalo before noon today. A number of others were held up at Binghamton and Rochester. Captain John Marquette, who landed near Williamsport, Pa., yesterday, because of trouble with his compass, resumed his journey to Binghamton today

Lieut. D. B. Gish, who with Captain DeLavergne, air attache of the French embassy, was forced to descend at Canadice, N. Y., yesterday, when his plane caught fire, announced that he was on his way back to Mineola to re-enter the contest in another machine Neither Lieut Gish nor his passenger were injured

HOLD WEST BOUNDS

Chicago, Oct. 9—Captain Hoag, commander at Ashburn field, this morning sent word to the officials at Dayan, field, Ohio, asking that all west bound machines be held there until further notice because of unfavorable conditions in Chicago.

ON WAY WEST.

Des Moines, Oct. 9.—Landing at Herring field here at 10.54:30 this morning, Lieut. B. W. Maynard, left the field on his way to Omaha, 118 miles distant, at 11:34 o'clock.

IN OMAHA.

Omaha, Neb., Oct. 9.—Lieutenant B. W. Maynard, leading the field in the trans-continental air derby, arrived at Ak-Sar-Ben flying field here at 12:48 today. He made the trip from Des Moines in one hour and 14 minutes.

AIR RACE BULLETINS

Chicago, Oct. 9.—Captain Drayton left Auburn field for Rock Island at 1:36 p. m.

MILLER ARRIVES.

Chicago, Oct. 9.—Major H. J. Miller in plane number 27 arrived at Ashburn field, Chicago, at 12:32 p. m.

CONTINUES FLIGHT.

Omaha, Neb., Oct. 9.—Lieut. B. W. Maynard left the Ak-Sar-Ben field for St. Paul, Nebraska, 132 miles west, at 1:34 p. m.

CREDITS OFFICIALS WITH REDUCTION

Chicago, Oct. 9.—Speakers at a meeting of producers and meat packers yesterday said that demoralization existed in the live stock industry and the producers have lost or expect to lose $2,000,000,000 as a result of recent price declines in live stock.

"Unless consumers in large American cities quickly wake up and call off the attorney general and other high government officials who are engaged in propaganda against food prices, the live stock industry will be almost ruined in many sections of the west," asserted J. H. Mercer of Topeka, Kansas, secretary of the Kansas Live Stock association.

"I do not hesitate to say that the great fall in live stock prices can be attributed to government officials who handed out the information that all prices must be reduced to the consumer, not taking into consideration our high cost of production," said J. O. Southard of Comiskey, Kansas.

NO VOTE SOON ON SHANTUNG

Washington, Oct. 9.—Voting on the Shantung amendement to the peace treaty having been postponed indefinitely, the senate today was prepared to start on a round of speech-making and continue reading of the treaty text.

Senator France, Republican, Maryland, who started a long address yesterday, planned to continue his remarks today and was expected to be followed by Senator Nelson, Republican, Minnesota and Walsh, Democrat, Massachusetts.

Opponents of the peace treaty today blocked all attempts to bring the Shantung amendment to a vote in the senate this week, and then refused to accede to a joint request by Republican and Democratic leaders for its consideration one week hence.

In the half hour wrangle that followed the suggestion of Chairman Lodge of the foreign relations committee that the senate could speed up the treaty in reading the printed text while senators were preparing speeches on the Shantung provision, the charge was made and denied that a full fledged filibuster soon might envelope the pact and delay final action on it.

NEWS NOTES OF OTHER NATIONS

Warsaw, Sept 4—On their entry into the district of Vladimir, American Red Cross officers found a population of 200,000 children practically foodless and in clothing that was little better than rags.

London, Sept. 9—Fancy dress balls with the fox trot, one-step, hesitation and tango as the popular dances make up the program of social leaders who are preparing for the next London season. Hawaiian music is favored.

Berlin, Sept. 12—The average daily wage of men has increased 241 per cent and of women 263 per cent since 1914, according to the Imperial Workers Gazette. The greatest increase was in the electrical industry.

(Correspondence of Associated Press.)

Geneva, Switzerland, Sept. 8.—Anxiety is felt by the inhabitants of several villages in the Engadine district because of the vagaries of an Alpine stream which has appeared in three different places during the past six weeks and as promptly vanished. The stream after cutting beds near villages disappeared overnight.

BIG IDEAS UP TO CONFERENCE

Labor Truce, Arbitration Board, and Steel Strike Truce.

Washington, Oct. 9.—An immediate industrial truce to continue three months, creation of an arbitration board by the President and congress and immediate arbitration of the nation-wide steel strike were among proposals made today to the industrial conference here.

The first two were presented by Representatives of the public and the last by the labor group.

PROPOSERS.

eBrnard M. Baruch, chairman of the public group, made the proposal for the industrial truce, while Samuel Gompers, president of the American Federation of Labor, and chairman of the labor group, proposed arbitration of the steel strike.

Mr. Gompers' plan contemplated immediate return of the steel strikers to work pending the outcome of efforts to arbitrate the dispute.

Gavin McNab of San Francisco, proposed a permanent arbitration board, his resolution, which has the approval of the public group, providing that all living ex-presidents be members.

LABOR'S PROPOSALS.

Mr. Gompers' board for arbitration of the steel strike would be composed of six members, two to be appointed by each of the three groups in the conference—capital, labor and the public.

Mr. Gompers also presented a resolution embodying eleven fundamental principles, which, he emphasized, and the unanimous approval of the labor group, including the representatives of the four railroad brotherhoods.

Right of wage earners to organize.

Right of collective bargaining.

Right of wage earners to be represented by representatives of its own choosing in negotiations with employers.

Freedom of speech, of the press and of assemblage.

Right of employers to organize and bargain collectively.

Minimum eight-hour day with one day of rest in each week, and with a half holiday on Saturday encouraged, and overtime discouraged.

Payment of a living wage.

Women to receive the same pay as men for equal work.

Prohibition of labor for children under 16 years of age.

Prohibition of all immigration for at least two years after the declaration of peace and at such times thereafte as there may be an abnormal condition of unemployment. At no time would immigration be permitted to exceed the nation's ability to Americanize the incoming foreigners.

IN COMMITTEE.

After being in session an hour and a half, the conference adjourned until this afternoon. Meantime the committee of fifteen will consider resolutions submitted. It was announced that the employers' group will attempt to prepare prosposals acceptable to all elements of the group for submission to the conference.

JOHNSON IN TWO SPEECHES

Seattle, Wash., Oct. .—Two Seattle audiences last night heard Hiram W. Johnson of California explain his objections to the ratification of the league of nations covenant without reservation or amendment. He said his proposed amendment to the league covenant would not deprive the colonies of Great Britain of their six votes, but would give America an equal vote in the assembly of the league and they cheered his declaration that "the United States Senate is going to stand up and be counted" when this amendment comes to a vote.

STEEL BUYING IS STRENGTHENED

New York, Oct. 9.—Announcement of the Gompers resolution before the Industrial Conference suggesting a way to settle the steel strike stimulated further buying. United States Steel continued to be taken in large lots, including one block of 10,000 shares, at an extreme rise of a point. Other strong features included Harvester and chemical and fertilizer shares at gains of 2 to 8 points.

Advances were largely cancelled later when reactionary tendencies developed in Crucible Steel, Baldwin Locomotive and Atlantic Gulf. These were neutralized, however, by the strength of motors, United Cigars, American Car and motor and leather specialties. Call money opened at 8 per cent.

BREAK STEEL TRUST UP INTO UNITS

Washington, Oct. 9.—Governmental objects in the legal campaign against the United States Steel corporation are simply those to be secured by breaking up that organization into competitive units, according to attorneys who are engaged in arguing the case before the supreme court They expect to continue through today and conclude tomorrow.

REDS PLACE HOPE IN "HOD" ELLER

White Sox, by Winning Today, Will Tie the Series—Williams to Pitch.

Chicago, Oct. 9.—Again contender for the world's baseball championship by virtue of their 4 to 1 victory over the Cincinnati Reds yesterday the Chicago White Sox returned to Comiskey Park today to make a determined effort to draw abreast the Reds in the matter of games won at 4-4. Regarded as virtually out of the race for premier baseball honors when the Red Legs took the first two games of the series at the Ohio city and then took two of three here, the American League pennant winners apparently found their long batting eyes and the two victories they hammered out on successive days on foreign soil brought a return of the preseries confidence in the ultimate outcome to their supporters here.

ELLER TO PITCH.

Needing but the single game to bring his team the championship Manager Pat Moran was expected to send 'Hod' Eller, shine ball pitcher extraordinary, to the mound today in the eighth game of the series. Eller it was who established the world series record of six succesive strike outs when he held the White Sox to three hits, one a scratch in the game here Monday when Cincinnati won 5 to 0.

Claude "Lefty" Williams, twice defeated by the Red legs, but holding them to an aggregate of eight hits in the two games, was expected to be Manager Kid Gleason's selection for mound duty.

GLEASON CONFIDENT

It generally was admitted that Williams' pitching would "have won nine out of ten ordinary games," but each time he opposed pitching that the White Sox heavy hitters virtually were powerless before. With the assertion that "his boys" had recovered their batting eyes and fighting spirit, as was evidenced yesterday and Tuesday when they batted from the box Ruether and Sallee, who overcame them in the first two battles, Manager Gleason was confident his star left hander would pitch a comeback game as did Cicotte yesterday.

Manager Moran, while rather surprised that his charges had failed in two attempts to assure the National league champions possession of the 1919 world's championship, merely pointed to the breaks of the game as responsible for what he termed the "postponement." He seemed confident today would end the series, making unnecessary the ninth game tomorrow at Cincinnati.

EXPECT CROWD

Interest in the series at Chicago was renewed by the comeback the White Sox staged and with two days of ticket sales for today's game the prospect was that approximately a capacity crowd would be out. All the grandstand reserved seats were sold yesterday, but many of the box seats were unclaimed. The sale of them and the 16,500 pavilion and bleachers seats began at 9:30 o'clock this morning.

Few wagers on the outcome of the series were reported today. Prevailing odds on the series result apparently were 2½ to 1 and even money on today's game.

FIRST INNING.

CINCINNATI—Rath up. Strike one The first ball pitched by Williams split the plate, but Rath did not make a bid for it. Strike two. Foul. Foul Rath opened the contest ith a pop fly that Risberg got in short left Daubert up. Strike one. Daubert singled to center. It was a line drive that Liebold made a great effort for but could not quite reach before it touched the ground. Groh up. Strike one. Groh fouled the first one off Ball one. Foul strike two. Groh fouled the third ball into the left field pavilion. Groh singled to right. It was a short hit that cleared over first base, and Daubtrt held second Roush up. Ball one. Strike one Roush doubled past first base to the right field pavilion fence, scoring Daubert and putting Groh on third Duncan up James is warming up for Chicago. Foul strike one. Ball one Duncan doubled to left field, scoring Groh and Roush. It was a line drive that went over Weaver's head and Jackson fielded in tht extreme left field corner. This was enough for Williams and "Big Bill" James went into the box for Gleason's team. Kopf up. Ball one. Ball two. Strike one Ball three. James could not locate the plate properly and walked Kopf Duncan retained second. Neale up Strike ont. Strike two. Neale took a terific swipe at the second strike but missed it. Ball one. Neale fanned, the third ball being called on him. Rariden up. Ball one. James almost made a wild pitch, but Schalk recovered the ball before any damage could be done. Rariden lofted a Texas league hit over first base, scoring Duncan and putting Kopf on third. Eller up. The crowd gave Eller a hand-clap ovation when he went into the batter's box. Foul strike one. Ball one. Rariden stole second Ball two. Eller ended the inning by flying out to Felsch. **Four runs; five hits; no trrors.**

ROB BANK, BEAT UP A DOCTOR

W. B. Kilton Discovered Bandits at Work at Harvel.

Harvel, Oct. 9.—The Harvel Bank, owned by H. H. Zimmerman and John Huber, was robbed at 8 o'clock Thursday morning.

Dr. W. B. Kilton was passing the bank and saw the robbers. The obberer caught him and after beating him until he was unconscious and taking $150 from him, they locked him in an empty box car on the Wabash tracks, and made their escape in an automobile.

ALARM RAISED.

In the meantime, Mr. Zimmerman, who lives just half a block from the bank was being robbed. They did not locate the robbers, but found Dr. Kilton. It was necessary to sew up a large cut in the back of his head.

LOSS UNKNOWN.

It is not known yet just what they got from the bank, but they did not got into the currency department and did not get any bonds. However the safety deposits department was badly shot up and the bankers have not been able to ascertain just what papers were taken although they know very little is missing.

BIG REWARD.

A reward of $500 has been offered by the Illinois Bankers association for each and every robber who is caught and convicted.

CAMPAIGN TO NAME LOWDEN

Springfield, Oct. 9.—Elective State officers met here late yesterday and organized the "Illinois Lowden Campaign committee," the purpose of which will be to nominate Gov. Frank O. Lowden for President.

Louis L. Emmerson, secretary of state, was chosen chairman of the committee and with him will be associated United States Senator Lawrence Y. Sherman and Congressman McHill McCormick as vice chairman, Harold L. Ickes as secretary and D. E. Shanahan as treasurer, in addition to a large number of other prominent Republicans. These men will serve as the campaign executive committee, it was announced.

TRAP LIVE FOXES EAST OF PANA

Pana, Oct. 9.—Four men from Pana and Oconee and thirty dogs are in a camp at Hutchins' Grove two and one half miles east of Pana, and on Tuesday night they trapped two live foxes.

These foxes have been ravaging farmers' henneries and doing much damage in this section. These are the first live foxes to be trapped in this section for many years. They are of the red fox variety.

ASSOCIATION ASKS PRODUCTION

Chicago, Oct. 9.—Resolutions calling for increased production as the best means of relieving the strain on the law of supply and demond were adopted yesterday at a meeting of the Mississippi Valley association. Earlier the president S. H. Merrick of Chicago, had pledged the organization and all its resources for the destruction of Bolshevistic tendencies in this country.

WEATHER HELP TO PRESIDENT

Washington, Oct. 9.—Cool weather was credited today by President Wilson's physicians with aiding in his recovery, which now has reached the stage where he is able to spend part of his time sitting up.

The president still was prohibited today from doing any work, although his physicians said he was well enough to resume the duties of his office should any emergency arise.

IMPROVEMENT GOES ON.

Washington, Oct. 9.—President Wilson continues to hold the slight improvement in his condition noted yesterday, said a bulletin issued today by Rear Admirals Grayson and Stitt, his physicians.

The bulletin follows:

"White House, Oct. 9, 11:30 a. m.—While there is no material change in the president's condition, the slight improvement noted yesterday continues.

"GRAYSON,
"STITT."

PRESS MINE OWNERSHIP

London, Oct. 9.—A deputation of British miners will call on Premier Lloyd George today to press for a complete nationalization of mines.

STRIKE LEADER.

The deputation as announced, consists of members of the parliamentary committee of the trades union congress, which met recently in Glasgow, and members of the executive committee of the miners' federation J. H. Thomas, secretary of the National Union of Railway Men and leader of the recent strike, will head the deputation as the new chairman of the parliamentary committee.

TRADES UNION ACT.

This step will be taken in accordance with a resolution adopted at the recent trades union congress at Glasgow, which pledged the congress to co-operate with the miners' federation in compelling the government to accept the majority report submitted by the coal commission headed by Sir John Sankey.

EXPECT REFUSAL.

If Mr. Lloyd George refuses to accept nationalization, as it is assumed he will, a special trades union congress will be convened to decide upon the form of action to be taken by the miners to compel acquiescence in their demands.

TRAFFIC IN NEW HARBOR TIED UP

New York, Oct. 9.—Delivery of all freight by lighters to steamers in New York port was prohibited today by W. N. Pollock, marine director for the United States railway administration. The order was issued as a result of the longshoremen's strike, which has entered its third day.

The unexpected strike of thousands of longshoremen which threatens to tie up the port of New York, was attributed directly to I. W. W. agitation by T. V. O'Connor, president of the International Longshoremen's union, who declared that the walkout, unauthorized, would not receive the support of the international union.

MORE MARTIAL LAW IN MOSCOW

Washington, Oct. 9.—The city of Moscow was placed under martial law by a newly created extraordinary commission following bomb explosions at a gathering of soviet officials in the city on September 25, the State Department was advised yesterday in dispatches reflecting growing antagonism to the Bolsheviki rule.

Thirteen commissaries of the Bolsh vik regime, the department's dispatches said, were killed by the explosions.

IGNORES DEATH OF MRS. SELLENS

Pittsburgh, Oct. 9—The Allegheny county grand jury yesterday ignored a charge of murder against a special policeman and a deputy sheriff in connection with the death of Mrs. Fannie Sellens, an organizer of the American Federation of Labor, who was shot on August 26 at Natrona, where there was a strike of mine workers.

Labo leaders have charged that she was murdered by deputy sheriffs while protecting women and children. Recently the coroner's jury gave a verdict that Mrs. Sellens was killed by persons unknown. The case resulting from charges of labor leaders, attracted almost nation wide attention.

MORE WORK AND LESS RIOTING AT STEEL MILLS

Chicago, Oct. 9.—A general betterment in the industrial situation at many of the great steel mills through out the Chicago district was indicated today b reports of mill operators of Gary, East Chicago and Indiana Harbor, Ind., and South Chicago, Ills., that their plants either were running on a fifty-per cent scale or were ready to resume immediately at a reduced capacity.

NO VIOLENCE.

No attempt of consequence at violence at any point in the district was reported over night. Military control at Gary with 1,600 federal soldiers under command of Major-General Leonard Wood in charge, continued, as did martial law at East Chicago and Indiana Harbor, Ind., where state militiamen are stationed.

At Gary, the troops continued their search for "red" agitators and literature. The state soldiers busied themselves with closing alleged illicit saloons.

UNCHANGED.

Pittsburgh, Pa., Oct. 9.—Conditions surrounding the steel workers strike in the Pittsburgh district were virtually unchanged early today.

TROOPS TO STAY LONG.

Gary, Ind., Oct. 9—General Leonard Wood, commander of the Central Department of the army, under whose orders 1,600 federal troops were brought here last Monday to take military control and prevent violence incident to the steel strike, said last night the troops probably would remain for a long time.

He requested newspaper men not to publish news of raids until the information was given out by the military authorities.

TO THE LIMIT.

Pittsburgh, Oct. 9.—Secretary W. Z. Foster of the steel workers national committee returned from Washington yesterday and said the American Federation of Labor would support the strike to "the limit."

"Oragnized labor," he said, "realizes that this strike must not be lost and has promised its support until victory is achieved."

PLAN TO RESUME

Youngstown, Ohio, Oct. 9.—Coupled with the announcement that differences between employes and officials of the Trumbull Steel company at Warren had been amicably adjusted, reports that the Brier Hill Steel company and the Youngstown Sheet and Tube company were making perparations to start departments today gave rise to a situation more tense than has existed at any time since the early days of the strike in the Mahoning valley.

DRIVE ON RADICALS

Chicago, Oct. 9.—Federal agents today made another series of raids on the homes of radical leaders at Gary, Ind., and seized a quantity of firearms, red flags and revolutionary literature. It wa announced that the drive against radical leaders who are said to be resuonsible for most of the riotin; in this district will oe continued until the last agitator who who prenches edition has either been arrested or driven away. Since the raids were begun it is said more than twenty radicals have hurridely left Gary.

CLAIMS AND DENIALS

Officials of the steel mills in districts under matrial law or military contro' reported that strikers were returning to work in increasing numbers and that production in the plants was slowly being restored to normal.

Union labor leaders deny that the strikes are returning in large numbers and insist that the skilled workers are standing firm.

At Gary, Ind., half a dozen mills were reported in operation with between 60 and 90 per cent of their normal force.

LIMITED FORCES

At Indiana Harbor, Ind., the American Steel Foundry resumed operations today with a limited force for the first time since the beginning of the strike.

The Inland Steel company, Mark Manufacturing company and the Universal Portland Cement company continued to operate units in a number of departments. There were 8 arrests on minor charges reported since midnight.

In the South Chicago area, unidentified strike sympathizers fired several shots through a window of the Home of Charles Eyer, an employe of the Illinois Steel company.

RESUMED IN PART.

Youngstown, Ohio, Oct. 9.—The Trumbull Steel company of Warren, independent plant employing 5,000 men, has resumed operation in part. It was announced today by company officials. The statement followed an announcement by employes of the mill after a meeting yesterday that an anicable agreement had been reached between the company and the men and that the men would return to work as soon as possible.

BUSY SOON

Great Questions Press for Nation League Attention — Go Ahead Without United States.

Paris, Oct. 9—With the completion of the peace treaty, by ratification of three great powers, which it is generally believed in Paris will take place within two weeks, the work of the peace conference and the supreme council will be greatly changed.

REPARATIONS

Many questions at present before the supreme council will be transferred immediately to the permanent reparations commission.

In fact, the supreme council has already turned many of the reparations questions over to the commission, which recently has been investigating the amount of property Rumania confiscated in Hungary belonging to all the Entente powers, and the effect the Rumanian confiscations will have on Rumania's share in the total reparations.

FIRST QUESTIONS UP

Many questions relating to the Sarre valley, Danzig and Silesia are of such pressing importance that they will be taken up at the first meeting of the council of the league of nations, which, according to plan, is to be called by President Wilson in a fortnight after the treaty is formally ratified by three great powers.

POLAND

A plebiscite in upper Silesia must be held as soon as possible because of the strained relations there, where the Poles and Germans are holding each other at bay, and there is a general disposition in conference circles to give Poland relief at the earliest moment, as the Silesian coal supply is urgently needed in central Europe.

U. S. IS OUT.

Until the United States ratifies the treaty it cannot participate in any commissions created under the treaty, and while the American delegation feels that the other powers will confer with the Americans and not deliberately prejudice American interests, there is great uneasiness among the American delegates, as they feel that their inability to participate in anything but a consultative capacity is a great handicap.

SPEEDING UP.

Recently there has been a disposition on the part of the American delegation and several other delegations to refer to the various foreign offices all the business which would normally be handled by themselves and the supreme council will be able to speed up this unloading process as soon as the league of nations comes into existance, as many of its most annoying problems will probably go to the league.

The supreme council will instantly lose much of its importance as soon as the German treaty is in effect However, it still has the Bulgarian Hungarian and Turkish treaties hanging fire, and the indications are that it will be many months before these can be disposed of, because of the unsettled conditions in Hungary and Turkey.

Black Silk Stove Polish is *different*. It does not dry out: can be used to the last drop: liquid and paste one quality: absolutely no waste: odorless and dustless. You get your money's worth.

Black Silk Stove Polish

Is not only most economical, but it gives a brilliant, lasting lustre that cannot be obtained with any other polish. Black Silk Stove Polish does not rub off—it lasts four times as long as ordinary polish—so it saves you time, work and money.

Don't forget—when you want stove polish, be sure to ask for Black Silk. If it isn't the best stove polish you ever used—your dealer will refund your money.

Black Silk Stove Polish Works, Sterling, Illinois.

Use Black Silk Air Drying Iron Enamel on grates, registers, stove-pipes, and automobile tire rims. Prevents rusting. Try it.

Use Black Silk Metal Polish for silverware, nickel, tinware or brass. It works quickly, easily and leaves a brilliant surface. It has no equal for use on automobiles.

Russian Blouse Designed for College Girls

BY BETTY BROWN.

I just couldn't help having this little Russian blouse sketched for the sake of the girls. It is so pretty and was designed to serve so many uses.

Of course its keynote is simplicity. It is made of seal brown tricolette. The round neck is finished with four rows of soutache braid in the same shade. The slit kirtle repeats the design as do the snugly fitting cuffs. The blouse is caught in at the waistline by a soft six-inch sash of self material.

This blouse is particularly adapted to the needs of the college girl because it can be used for class-room wear preceding a hurried trip to town for the matinee.

The Russian blouse and even the more informal smock are very good this winter. Never, not even during the summer gardening season, have so many been shown in the shops. They range from the tailored model sketched above to elaborate affairs of beaded Georgette. Every girl should have at least one in her winter wardrobe.

CHILDREN'S MANNERS, MODERN EFFICIENCY AND FINGER BOWLS

BY BIDDY BYE.

Many pleasant little habits in the way of etiquette went by the boards during war days. This was especially true in households where the habitual maid was released either to go into munitions or because war wages could not be afforded.

WHAT WE LEARNED.

But during those days we learned many efficient methods that it is to be hoped will not be forgotten. Modern living is complicated enough without adding any unnecessary trimmings. But there are little niceties of living that constitute the earmarks of a refined and cultured home.

Where children are in the family such things are of paramount importance. Mary and Johnny learn their table manners at home. When away from that home they become small mirrors unconsciously reflecting the habits of the household to which they belong.

And so the keeping of certain little formalities in private that every mother wants to be second nature with her children—in public at least—has become a real problem to many women.

CHILDREN'S MANNERS.

Take the matter of finger bowls. Mother would feel everlastingly disgraced if Johnny should mistake such service for a new fangled water glass and proceed to quench his thirst thereby when "out in company." Or if Mary washed her chubby hands instead of just dipping the tips of her fingers how terrible that would be!

So some women started a new fashion in the use of finger bowls, and it is sweeping the country. The originator probably was inspired by the necessity being forced upon her. She could not keep up her dainty table service without a maid and take the same number of steps both she and the maid would have taken.

CORRECT EFFICIENCY.

The latest and most correct efficiency method of serving finger bowls in a private home is thus:

When the table has been cleared for dessert whoever is serving places at each cover a dessert plate upon which has been arranged a doily, the finger bowl containing not more than one-half inch of water, and what silver the dessert happens to require. The person served lifts finger bowls and doily from the top plate, placing the doily at the top right of his cover and the finger bowl upon it. He then lays the dessert silver at the right of the plate. The dessert is then passed and each person serves himself.

In this way no extra service is required, and yet one little table nicety has been preserved.

So attractive as well as step-saving is this method that it has become established as the correct service in the fully servanted as well as maidless home.

Y. W. C. A. NOTES.

The Y. W. C. A. breakfast room, which opened Wednesday morning was so well patronized that it was necessary to turn people away. The Y. W. C. A. is making a specialty this week of serving breakfast to the delegates of the Methodist Missionary convention.

The Federation of girl's clubs opened its fall work Tuesday night with a supper at the Y. W. C. A. at 6:15. Plans were made for the year's work. The girls had ukulele music after the meeting. Miss Edna Pearce, who has charge of the Federation clubs, hopes to organize new clubs soon.

The Educational classes will open Thursday night. Miss Jessie Lockett will teach a class in beginning French for employed girls and there will be classes in basketry, dramatics and effective speaking and knitting. Classes in blouse making, millinery and English are expected to be organized soon. An enrollment of ten is required for each class.

The Friday night Bible class will have a special opening meeting Friday night to be preceded by a chicken fry supper.

Cause of Stomach Sickness

How to Relieve Stomach Distress in a Few Minutes, Money Back if Treatment Does Not Overcome Any Form of Indigestion.

If you feel as though there was a lump of lead at the pit of the stomach, take a couple of Mi-o-na stomach tablets and in five minutes you should see that all stomach distress has vanished.

If you belch gas, have heartburn or sour stomach, you need Mi-o-na. If your stomach feels up-set the morning after the night before, take two Mi-o-na tablets and see how quickly you get relief.

If you have shortness of breath, pain in the stomach, waterbrash or foul breath, you need Mi-o-na and the sooner you get it, the sooner your stomach should perform its duties properly.

If you use a box of Mi-o-na tablets and feel that it has not overcome your indigestion or stomach trouble, take the empty box to your dealer and he will refund your money. For sale by The Decatur Drug Co., and all leading druggists.

STREET DANCE AT HOME COMING

Shelbyville, Oct. 9.—A street dance on the pavement in the down town district will be one of the features of the Homecoming to Shelby county sailors and soldiers on Wednesday, Oct. 15, and another attractive number will be a fish dinner to be served to the service men on tables spread on Broadway, between Main and North First streets. The service men will be served free, while the general public will pay for their "eats," the proceeds to be turned into the treasury of the Roy Vanderpool Post, American Legion.

WAR PICTURES.

The authentic government war pictures will be shown at the Yale theater throughout the day. The Beuld band has been engaged to lead a big parade in the afternoon and to play for the dance in the evening, and Colonel J. J Bullington of Taylorville will deliver an address.

MRS. TULL'S FUNERAL

The funeral of Mrs. R. M. Tull, a well known resident of Windsor for many years, was held from the Christian church in that city Tuesday afternoon, conducted by the resident pastor, the Rev. Mr. Griffith, and the Rev. N. H. Robertson, pastor of the Shelbyville Christian church. Mrs. Tull died Sunday.

For the last 55 years Mrs. Tull, whose maiden name was Mary Anderson, had been a resident of Windsor, her parents having moved there when she was a girl of seven years. In her young womanhood she was married to Robert M. Tull, a well known harness maker. The husband and three children survive. The latter are Mrs. Earl Davies of near Shelbyville; Mrs. I. M. Shelton of Windsor, and George Tull of Stewardson. She also leaves one brother and two sisters.

Mrs. Tull's death was due to cancer.

ASSAULT AND BATTERY

Orville Gallagher, a high school student, swore out a warrant before Police Magistrate Lafe Tallman Wednesday, charging Earl Martin, a fellow student, with assault and battery. The court action followed a little scrap Tuesday night, when Gallagher is said to have taken Martin's hat and also struck him in the jaw.

Rev. G. P. Burdon, pastor of the Baptist church, took his wife to a Chicago hospital Wednesday. Mrs. Burdon will submit to a surgical operation there.

NEW STUDENTS

Four new students have just registered at Sparks Business College. The new students are Misses Dessie and Essie Barnett of Ethingham and Alvin McCoy of Shelbyville, who take the shorthand course, and William H. Gillmer of Stewardson, who entered the bookkeeping class.

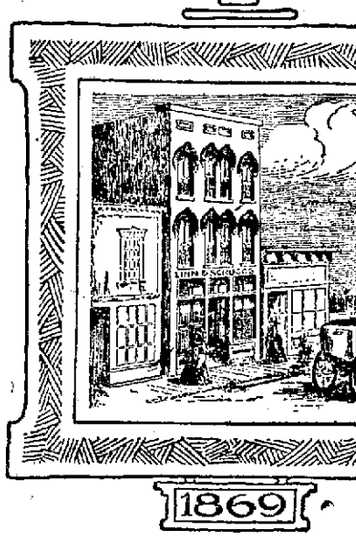

The high school attendance has reached an enrollment of 200, which is the highest in the history of that institution. The grades also are crowded.

KICKED BY MULE

Arthur Reichart of the Westervelt neighborhood is suffering from bruises and cuts on his face, the result of being kicked by a mule. He had a narrow escape from losing the sight of one eye.

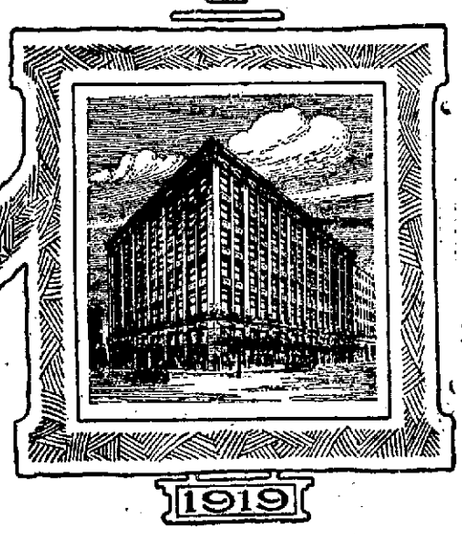

Annual Roast.

Employes of the Morehouse and Wells store will hold their annual wiener roast at the Decatur Fishing club Thursday evening. Fifty pounds of wieners, 35 dozen buns and 10 gallons of coffee are the substantials provided. It is expected that 120 persons will be present.

Teeth Made White and Glistening in a Jiffy

By a new and perfectly harmless process anyone having yellow, black or other stains or spots on the teeth, can remove the unsightly discolorations completely in just a few moments. It is only necessary to brush the teeth with a unique, pleasant-tasting preparation, originated by a well-known dentist, which druggists now are selling under the name of "Once-a-Week Tooth Polish." This seems to penetrate and dissolve the filme or "plaques" with which all teeth are coated and which are bound to become discolored in time. This information will be best appreciated by fastidious persons who in spite of the most persistent brushing have learned that the usual dentifrices have little effect on those tenacious fatty films.

This simple product is also an effective preventive of tartar, decay, inflammation of the gums etc. Many who have used it are willing to affirm that a package of Once-a-Week Tooth Polish is worth its weight in gold.

WILLIAM M. BOLD DIES AT AGE 69

Suffered Third Stroke of Paralysis.

William M Bold died at 5 o'clock Wednesday afternoon in the family residence 335 East Wood street. He was sixty-nine years old last August His death was caused by a stroke of paralysis the third within the last three years

Mr Bold was first stricken about three years ago For some time his condition was critical but he got better and was able to be around and it was thought that he would eventually recover In January 1913 however he suffered a second stroke This affected his entire right side and deprived him of the power to speech This was his greatest trial He was a great home lover and he did not mind being confined to his home where he could be with his children all the time, but it distressed him greatly to be unable to talk to them

SUFFERS THIRD STROKE

He was able to be up and around the house a good portion of the time and up to noon Wednesday there had been no indication of a change in his condition He sat at the table and ate with the members of his family but early in the afternoon he suffered a third stroke and lasted only a few hours

Mr Bold was one of the best known men in Decatur He was patriotic public spirited and a high class citizen and he always stood high in the community He was born in Baden Germany, Aug 30 1850 He came to the United States in 1875 and soon afterward at the solicitation of H Mueller came to Decatur to take a position in the Mueller machine shop At that time Mr Mueller had a shop on East Main street, just east of and adjoining what is now the Millikin National bank

Mr Bold was an expert machinist and after working a short time for Mr Mueller he opened a shop for himself or State street, just across from the rear of the Mueller shop From then on he had all the work he could do His reputation as a machinist spread and in a short time he was getting work from all over Macon and ajoining counties He could make anything apparently and repair anything that it was possible to repair He was considered the best all around machinist in this part of the state and that reputation remained with him For more than forty years he had his place of business at 116 State street For the last three years his son Ernest W Bold had had the active management of the business

Mr Bold represented the Fourth ward in the city council under the old aldermanic form of city government He was always greatly interested in municipal affairs and was always for that which appeared to be the best interests of the community He read a great deal, made a study of civic conditions and his ideas were always practical He was idolized by his children and he loved nothing better than to be with them in his home

MARRIED IN 1878

Mr Bold and Miss Matilda Miller of Lebanon were married May 15, 1878 and soon afterward moved into the house at 335 East Wood street, which has been the family home ever since Mrs Bold died there in 1890

Mr Bold was a member of Ionic lodge No 312, A F and A M, Macon chapter No 71 Royal Arch Masons, Celestial lodge No 186 I O O F and Decatur camp No 134, Modern Woodmen of America He is survived by the following children Mrs G W Fife of Indianapolis Mrs E W Eastess of Greenfield, Ind, Mrs W J Dickinson Miss Lillian S Bold and Ernest W Bold, all of Decatur. A daughter Minnie Bold died in early childhood He also leaves two brothers, Joseph L Bold of Chicago and Mark Bold who lives in Germany

While Dr George P Hoster was rector of St John's Episcopal church in Decatur he and Mr Bold were great personal friends and Mr Bold had often expressed the wish that if it were possible Dr Hoster should conduct his funeral. Dr Hoster is now located at Champaign and he will be invited to come to Decatur and conduct the funeral the hour for which has not been set

The body was removed to the Moran undertaking establishment and prepared for burial and will be returned to the home Friday morning

MANY ARTICLES SENT TO GERMANY

Tea, Coffee and Thread Among Commodities.

Many commodities are being sent to Germany now since the parcels post privilege has been granted, and Decatur persons are anxious to help their less fortunate relatives in Germany The weight limit of a package is six pounds, and often the packages contain six different articles

Tea and coffee are popular in the line of things sent A woman wanted to send oatmeal a few days ago, but upon suggestion by one of the post-office employes sent rice instead because of the bulkiness of oatmeal

SENDS THREAD

Thread sells for $1 50 a spool in Germany and one thoughtful woman here sent some thread in a package There have been many bundles of clothing sent, some that has been worn. Most of the clothing sent is for men

Money orders are under ban, so several have sent the currency in registered letters

BOOZE RUNNER DROPS WHISKEY

Wabash Agents Discover Man in Railroad Yards

Wabash special officers Tuesday encountered a booze runner loaded with whiskey in the Decatur yards The chase which ensued became so hot that the runner was obliged to unload his whiskey to save himself First he dropped two bottles that he was carrying under his arms and then when the officers were found to be gaining upon him he stripped off his coat containing eight or ten other bottles and dropped it Relieved of this handicap he made good his escape But a name was found stitched in the lining of the coat and it is practically certain that the man will be captured The officers fired several shots at the fleeing man one of which is believed to have wounded him

It is believed that the whiskey had been stolen from a car The man had slit the lining of his coat so as to make two big pockets as wide as the skirts of the coat The pockets were filled with bottles of whiskey

NEW METAL NAMED IN HONOR OF U. OF I.

Champaign, Oct 9.—A new metal having the acid-resisting properties of platinum without its high cost, has been named Illium in honor of the University of Illinois by its discoverer, Prof. S. W Parr, of the department of chemistry of the university

The new metal is the only general malleable substitute for platinum gold-lined, and enamelled acid containers. Six or seven pieces of metal were not affected under a standard corosive test, and the seventh lost only 0002 grams of its weight.

Eye and Ear Specialist of Chicago

At the Orlando Hotel, Decatur, Thursday and Friday, Oct. 9th and 10th.

(Hours 8 a. m. to 8 p. m. Both Days)

HEAD NOISES AND DEAFNESS

Head noises are the alarm bells announcing the almost certain approach of deafness. Deafness, like blindness, usually commences in one organ. There are many who are partially deaf in one ear and do not know it. They realize it soon enough when the other ear becomes affected, as it usually does. Head noises are an indication that catarrh has attacked the Eustachian tubes and the middle ear The symptoms are noises in the head like the singing of a tea-kettle or crickets, puffing like an engine, or escaping steam, falling water, buzzing of bees, rumbling of cars, ringing of bells, pulsating sounds, hearing better at times than others, or hearing better in a confusion of noise, and hearing worse in bad weather or when you have a cold. At first you may be able to hear but do not understand, or you can hear if anyone speaks directly at you, but not when in a room where others are talking. Only one who has made a life study and thoroughly understands the nature of catarrh and ear diseases can successfully treat such cases. Dr. Oneal's experience and success in treating deafness is well known. A cure does not depend upon the degree of deafness nor how long it has existed It depends upon the condition of the Eustachian tubes and the ear drums.

Dr Oneal will examine you free and if he thinks he can help you he will give you

ONE TREATMENT FREE OF CHARGE

so that you may see for yourself what it is like and whether it will help you or not. If he thinks you are incurable he will frankly tell you so.

Many cases of partial blindness caused from inflammation, ulcers, scars, granulated lids, sore eyes, weak nerves and muscles of the eyes may be cured. Adenoids are removed by Dr. Oneal's method without danger Dr. Oneal straightens cross eyes in one visit without pain. Adam Thompson, 1044 South Colfax street, says "Your method is painless and caused me no trouble. The next day I was out the same as usual."

Call and see Dr. Oneal and try one free treatment. You will be under no obligation to take more or to pay any money unless you wish to do so

SOX BUNCH HITS DEFEATING REDS

Sallee Driven From Mound in Fifth Frame.

Cincinnati, Ohio, October 9—The Chicago White Sox narrowed the margin to one game by defeating the Cincinnati Reds in the seventh game of the world's series, 4 to 1, at Redland Field Wednesday afternoon Should the Sox prove superior to the Reds in today's game, which will be played in Chicago, the series will be even up and the clubs will be forced to battle in the ninth contest to decide the championship The ninth game, if necessary, will be played in Cincinnati, the Reds winning the toss, following the victory Wednesday by the Sox

To clinch Wednesday's argument the Sox again played in regular season form, bunching hits to record the initial two runs in the first and third frames, while two hits in the fifth frame with two errors sandwiched in between accounted for the other two, which, as ultimately proved, were not needed The tallies which bagged the victory were earned 'Slim" Sallee suffered the same humiliation he did in 1917, when the Sox pounded his offerings for triumps. The shower signal was hoisted for the former Higginsport sheriff in the fifth inning today after Felsch singled to score Eddie Collins and Weaver.

FELSCH THE BATTER

This was the second time in two days that a safe hit by Felsch drove a pitcher to the clubhouse In Tuesday's contest Felsch's two-bagger, scoring Jackson sent Ruether away Fisher relieved Sallee, finishing out the inning, when Ruether batted for Fisher in the fifth Moran sent the Cuban Luque, to the hill to finish out the game. The Don pitched very effectively, giving one hit, allowing no runs and fanning five.

CICOTTE'S PITCHING NOT GREAT.

The triumph gave Eddie Cicotte sweet revenge for the two defeats handed him by the Reds in the first and fourth encounters. His hurling was not as excellent as he uncovered in the fourth contest. In only two innings, the fourth and eigth, did he retire the Reds without allowing a man to get a life on the bases. Quite a few times he was in the hole. He gave but seven bingles, but was wild at odd moments. He was continually forced to place his entire spirit in every effort.

Play by Play

FIRST INNING.

J. Collins opened with a single over second. E. Collins sacrificed, Sallee to Daubert Weaver hoisted to Roush Collins holding second. Jackson singled to left, scoring J. Collins, but overran first and was caught between first and second He got out of the tangle, however when Daubert fumbled Kopf's toss Felsch bunted safely and Jackson took second. Felsch was forced when Gandil drove to Kopf, who tossed to Rath. **One run; three hits; one error.**

Rath reached first on E. Collins' error. Daubert popped to E. Collins. Groh struck out. E Collins grabbed Roush's drive and tossed to Risberg, forcing Rath. **No runs, no hits; one error.**

SECOND INNING.

Kopf threw out Risberg. Schalk filed to Neale. Groh took Cicotte's bounder. **No runs; no hits; no errors.**

Duncan hoisted a fly to J. Collins. Kopf singled to left. Neale fouled to Weaver. Kopf out stealing. Schalk to Risberg **No runs, one hit; no errors.**

THIRD INNING.

J. Collins singled through the pitcher's box. E Collins beat out a bounder past Kopf, J. Collins taking second Kopf took Weaver's tap, forcing E Collins. He claimed that Eddie Collins interfered with his throw to catch Weaver and Rigler allowed it, ordering Weaver out. Jackson singled to left, scoring J. Collins. Felsch forced Jackson, Kopf to Rath. **One run; three hits; no errors.**

Cicotte walked Wingo. Sallee filed to Felsch. Rath forced Wingo, Risberg to E. Collins. Daubert drove a hot one to Cicotte, who tossed him out. **No runs; no hits; no errors.**

FOURTH INNING.

Gandil filed to Neale. Daubert reached over the right field box seats and grabbed Risberg's foul. Schalk reached first on a hit which Groh made a great stop. Cicotte lifted to Roush. **No runs; one hit; no errors.**

Groh bounced one to E. Collins Roush out the same way. Weaver threw out Duncan. **No runs; no hits; no errors.**

FIFTH INNING.

J. Collins filed to Neale. E. Collins singled to center, Weaver reached first when Groh fumbled his drive, Eddie Collins taking second. Rath booted Jackson's grounder, filling the bases. Felsch singled to center scoring E. Collins and Weaver, Jackson holding second. Fisher went in for Cincinnati. Fisher threw out Gandil, Jackson going to third and Felsch to second. Risberg fanned. **Two runs; two hits; two errors.**

Kopf sent a high fly to Jackson. Neale singled to left. Wingo drew four balls. Ruether batting for Fisher, fouled to Weaver. Rath out, Weaver to Gandil. **No runs; one hit; no errors.**

SIXTH INNING

Schalk hoisted to Duncan. Cicotte switched his batting position to the left side, but struck out. J. Collins hit one past Groh for a double. E. Collins struck out. **No runs, one hit, no errors.**

Daubert struck out. Groh doubled to left. Cicotte grabbed Roush's bounder and tossed him out while Groh was going to third. Duncan put a clean single through the pitcher's box, Groh trotting home. E. Collins took Kopf's grass cutter and tossed to Risberg, forcing Duncan **One run, two hits, no errors.**

SEVENTH INNING

Weaver struck out. Rath grabbed Jackson's grounder and retired him at first. Felsch fanned. **No runs, no hits, no errors.**

Neale struck out. Wingo walked. Rath singled to center. Wingo got no further than second. Daubert was out a first when E. Collins got his drive and tossed to Gandil. **No runs, one hit, no errors.**

EIGHTH INNING

Kopf took Gandil's lofter. Risberg lifted a high one that Roush muffed. Risberg tried to make second and was out, Roush to Rath. Kopf got Schalk's hard drive, and, making a beautiful throw to first, nailed him. **No runs, no hits, one error.**

Groh drove a liner to Jackson. E. Collins got Roush's bouncer near second and threw to Gandil. Risberg got Duncan's roller. **No runs, no hits, no errors.**

NINTH INNING

Cicotte fanned. Roush captured J. Collins' drive. E. Collins out, Rath to Daubert. **No runs, no hits, no errors.**

E Collins took Kopf's high fly. Neale popped to Jackson. Wingo singled through E. Collins. Magee batted for Luque and singled to right, Wingo holding second. Smith ran for Magee. Rath filed to Felsch. **No runs, two hits, no errors.**

NEW MACHINERY AT POWER PLANT

Frequency Changer Expected to Double Capacity.

The Illinois Traction system is installing a frequency changer at the power house in Decatur. One carload of it arrived Tuesday noon and it is now being unloaded. Many people passing along Edward street wondered what the three big crates on the flat car contained. Those three crates contain the parts of one machine. Another is on the way. It is said that the installation of this frequency changer will more than double the capacity of the local power plant.

OWNERS HAVE A PROBLEM

Director General Hines announces there will be no increase in freight rates while the government runs the railroads, the remainder of this year The man who must pay will depose the rates are now high enough, too high in fact.

But even with these rates the government is losing money operating the roads. The owners, who are to take the roads over the first of January, much prefer that in the meantime the government establish rates that will meet expenditures.

The owners have a big problem ahead. They will get the roads accompanied with a scale of rates and wages that will make the properties a losing proposition. Of course they don't relish such a prospect.

It is suggested by Mr. Hines that the roads can go to the interstate commerce commission for relief Railroad owners look on this as something like sending a thirsty man into the desert of Sahara.

One thing is sure; the owners can't play long at the game if they are to lose a million or two millions a day. And the public can't afford to have owners put out of the running.

ILLINOIS DIDN'T SHINE

Senator Sherman heard in the cloak rooms of the senate that gifts to President Wilson while abroad amounted to a half million dollars, and Sherman fussed about it in his characteristic fashion.

Thereupon Representative Rodenberg, also from this state, put through a resolution calling for a list of gifts made the president while in Europe.

The list is made public, and it develops that all the gifts at a well-advertised public sale might not bring $100.

It is submitted that in all this performance the people of Illinois are not accurately measured by the performance of the senator and the representative We "Suckers" are not cranks of the kind indicated by the suspicions of these two men

The senate and its cloak rooms are said to be "the greatest whispering gallery in the world." So it must be, judging from this sample of suspicion and exaggeration But Illinois isn't proud of the prominence of its busybodies in all this.

ROUGH ON THE RIGHTEOUS

Several Illinois brewers who are trying to comply with the law complain that the way of the transgressor isn't always as hard as it ought to be.

These complaining brewers worked up a big trade in near-beer. But it is a trade that doesn't stick; it comes in starts and spasms. The difficulty is that 2¾ per cent beer gets brought in from outside the state. When this is to be had by the consumer he will have nothing to do with the "near" delusion.

Why doesn't the Illinois brewer make 2¾ per cent beer? doubtless is asked. He dare not. In Illinois there is a search and seizure act, under which the authorities will go into his place and close it. The brewer of this state feels he can't take the chance, and he is right.

Why do not the state authorities see to it that 2¾ per cent beer does not come from the outside, say Missouri and Wisconsin? Of course they should, especially as they apply search and seizure here at home. Maybe they will after a time But when?

MARKET OUR AIR

Queen Elizabeth of Belgium is reported enchanted with the plain air we breathe here in America, the atmosphere. She says it must be wonderful, for in this country she smiles under strains that in Europe would put her to the bad. Here she sleeps well and doesn't know fatigue; and all this she credits to our atmosphere.

The queen must be right about it. In the first place she knows, for she has had experience here and in Europe, plenty of it. What raptures will she not voice after she gets into the "glorious climate of California?"

Anyhow, Queen Elizabeth's is a great and unsolicited testimonial for the atmosphere to be found in America. With this boost as a starter, it should be practical to form a corporation to bottle some of our atmosphere and ship it to crowned heads in weary Europe. We have enough and some to spare.

NO BUSINESS WITH NERVES

Manager Moran says his Reds could have won Tuesday's game a half dozen times. Once would have been enough, but they didn't do it.

Moran's explanation was that "the strain of the world's series" was beginning to tell on his boys, so they were a bit unnerved Tuesday.

But they need better nerves in a fight of this kind. When you are contending for premiership in athletics there is no use in considering nerves. Before a team reaches these finals it should be nerve-proof.

What was the matter with Chicago's nerves Tuesday? The Sox had reason to be downhearted, but they didn't think about that Mr. Moran should mention this to his Reds.

For, under all the circumstances, it was something of a disgrace for Cincinnati to lose that Tuesday game.

MAKE A LIST OF THEM

Senator Hitchcock in open meeting makes the observation that all the lawless elements in this country and abroad have organized to defeat the league of nations.

It is worth while to note the observation. Possibly you are acquainted with one or two specimens of the lawless element. You might learn where these stand on the peace treaty, and likely you will find they are against it.

Paraphrasing an ancient dictum of Horace Greeley's, it isn't meant to say that all who are against the league of nations are horsethieves, but all horse thieves are against it.

LEAD NOT INTO TEMPTATION

The correct little tip is, if you own silk shirts, do not wear them in public. They are more of a temptation than should be flaunted in the face of the festive burglar.

It is noted that recently some homes were robbed, and all that was taken were silk shirts. Possibly some of these burglars would have held to the straight and narrow path a while longer if silk shirts had not been dangled before them.

But, it will be asked, what is the use of a silk shirt if it can't be worn? An answer to this will have to be got from some person who owns one.

LIKE OTHER MORTALS

At times some of us have wondered just what a teacher would do when he or she asks for a release and doesn't get it. The answer now comes from two or three different towns

The teacher resigns and goes on to the place where the better salary is offered This is about the way they do it in other and less exalted lines of life As Congressman Bill Morrison used to remark in his day, "Now, what good could it have done me to become a dead hero?"

To relieve the late Thomas N. Leavitt of Maroa from the trouble of coming back, it is proclaimed an error was made when he was put down as a staunch Democrat. He was a good enough man to be a Democrat, but he hung onto one failing just to show us he was human.

Jack Conover is waiting for a soaking rain before he fixes some of our roads—and there are folks who are slow to appreciate that Jack is an original kind of critter.

If you wait until October on furnace repairs the man at the shop is likely to conclude that a little shivering may teach you better next time

Two airplanes that started in Tuesday's big flight came to grief in the first lap. They haven't yet put the finishing touches on flying.

When they talk about having arrested Lenine we are reminded it is something that should have been done before he got started.

President Wilson says that so far as he is concerned "the campaign of silence" is at an end. He is getting ready to hit up his old lick.

Is one correct in assuming that all these brick stories that are poured into the ear of the reporter are also taken to the grand jury?

The J. M. U endowment will quit languishing when you step up and put down your name for your part.

We have heard of weather as fine, but it was from a Californian who wasn't just right on the subject.

Well, they had Pat Moran scratching his head Wednesday night.

BETHANY.

Ray Crowder and Fred Orris are attending Lincoln College.

Prof. White and daughter, Helen visited Decatur Saturday morning.

Mr. and Mrs. Joe Lansden gave a dinner Sunday in honor of Carl McLaughlin, their grandson and Ray Yeakle, who have just returned from the war. Both were in First Division. The following attended the dinner: Mr. and Mrs. Sam McLaughlin, Mr. and Mrs Lyle McLaughlin of Quincy, Mr. and Mrs. Bob Logan, Mr and Mrs Joe Lansden

Mr. and Mrs. V. A. Mitchel spent the first of week in southern part of state.

Republican.

Thomas Leavitt, who died in Maroa, Wednesday, was a Republican and not a Democrat as was announced Wednesday.

A PLEA.

Grant to me this: The strength to do my duty,
And smiles of love to welcome my return;
Open my eyes to all the world's bright beauty,
Teach me to make the most of what I earn.

What though I toil, let me be brave and cheerful,
Glad there are tasks that I am called to do;
Let love of life keep me from being tearful,
And love of truth keep me from deeds untrue.

I would not dwell too much on cares that fret me,
Nor magnify through selfish eyes my woes;
When failures come and trivial wrongs upset me,
Let me rejoice that I can bear such blows.

Keep me from envy and the jealous madness
Which blinds men's eyes to joy that they possess,
And makes them think another's hour of gladness
Is robbing them of fortune and success.

Through every day and every hour that passes,
Let me press forward glad to take and give;
Looking at life through clear not murky glasses,
And, come what may, finding it good to live.

About Town

COL W. T BAKER, said to be the oldest Elk in the country who is in Decatur attending the state convention of that order, says that he herded cattle on the land on which the round house now stands, northeast of the railway stations here, seventy-two years ago this month.

In October, 1847, Col. Baker was acting as shepherd to the grazing cattle on the ground which is now covered with railroad tracks, roundhouses and car shops

Col. Baker lives near Mt. Auburn and is a member of the Taylorville lodge He has a saddle and bridle which the lodge gave to him for use in heading parades of Elks. He has led many such processions in the largest cities of the country.

"No chauffeur or other person shall drive or operate any motor vehicle or motor bicycle upon any street or highway in this state in the absence of the owner of such motor vehicle or motor bicycle without said owner's consent.

"Any person violating any of the provisions of this section shall be guilty of a misdemeanor and shall be fined in the sum not exceeding $200 or imprisoned in the county jail for a period not exceeding six months, or both, in the discretion of the court."

Commissioner John F. Mattes was doubtless thinking of this new state law when he suddenly grew red in the face, hopped out of a Ford which he was trying to start on North Main street the other day and as quickly jumped into another one very similar in appearance.

He had started to drive away another man's machine.

She wore the yellow ribbon designating her as one of the Methodist women attending the missionary convention here. She walked down the aisle in Linn & Scrugg's store and as the Lincoln Square orchestra in Tuesday's concert struck up a catchy tune, her step became quicker and lighter.

Leaning over the counter to a clerk and smiling broadly, she remarked, "They'll all be dancing pretty soon, won't they?"

Ten Years Ago Today In Decatur

OCTOBER 9, 1909.

Danzeisen and Hale sold their grocery at 302 North Monroe to L. J. Wucherpfenig of Tuscola.

The Woodmen band resumed rehersals after a short rest.

Henry Blenz sold his grocery and meat market at 321 East Main to John Wolfington.

Ben F. Dodson, former Decaturite, was here from New York city to visit his cousin, L. F. Rude.

The Lovington H. S. football team with 150 rooters came to Decatur. It was the opening game here and the visitors lost to the D. H. S., 9 to 5.

TWENTY YEARS AGO TODAY

The individual communion sets were used for the first time in the First Presbyterian church.

Rev. M. S. Newcomer preached a sermon on the ordinance of feet washing as observed by the Church of God.

The price of coal had advanced to $2.50 a ton. Mines in this vicinity refused to ship to Decatur, saying their miners would go on strike if they did.

Rev. J. W. Wohlfarth, new pastor of the Grace M. E. church, preached his first sermons and expressed himself as being well pleased with the outlook.

A Statesman.

St Louis Post-Dispatch—Mr. Taft refuses to weary of well doing. In the present bright prospects for an honest, acceptable ratification of the peace treaty the former president appears in the role of a tireless, constructive statesman, with which he has been so admirably identified since the cause of permanent peace became a tangible hope of mankind.

With a volume of achievement to his credit that assured him a place in history, a less purposeful man would have been content to be a looker-on, while one of smaller caliber would have yielded to the temptation of partisanship and entered lustily into the petty movement of obstruction. But instead of following a colorless or antagonistic course, Mr. Taft has risen to the heights of distinguished, unselfish service.

It is a great pity that his example has not inspired other leaders of his party to join with him in his disinterested efforts. There can be no doubt, however, that the influence of Mr. Taft's work for peace will live far beyond the present times and the present issue. He has established a fine precedent by putting into actual practice the faith so widely professed of citizenship first, partisanship second. It is a precedent which will enlist men of vision in the crises of future years.

Lehman Will.

The will of Mrs. Mary J. Lehman has been filed for probate. After making small bequests of personal effects to her son, G. W. Lehman, and her daughters, Mrs. Ida Good and Mrs. Emma Cussins, the balance of the estate is left to her two other daughters, Miss Katharine Lehman and Mrs. Minnie Andrews, and they are named as executors

PANA SENDS MANY ELKS

Pana, Oct. 9.—The Pana Elks delegation to the state convention of that order in Decatur left here Wednesday morning on the Illinois Central at 11 o'clock.

They were accompanied by the Buckeye band. A glance at the crowd gathered at the depot demonstrated that all Pana interests were represented.

The Legal fraternity had County Judge Griffith and Guy L. Smith, backed by Circuit Clerk John Foll; Elmer White of the banking interest; O. E. Penwell, Chris Everspacher, Will Stamm, Walter Downes, represented general merchandise; the mines had Warren Penwell, Ralph Sanerbier, Prentice Fellers and other business men noticed in the crowd, were C. P. Baldwin, Dr. Broering, Frank Henry, Will Kuhn, James Rayhill, William Hess, street commissioner; Theodore Vaughn and from the country, Claude Kirkbride and Cyrus Rayhill, with many others from the city.

MANY MOTOR

It was estimated over one hundred were on the train trip and a great many motored up. A special train leaving Decatur on return trip at 1:30 at night was engaged.

RESIDENCE BURNED

Shortly before one o'clock Wednesday afternoon the dwelling house of Eugene Boudell on North Sheridan street was discovered to be on fire. The alarm was turned in and the fire department made a quick run to the place, but the fire had gained such headway, fanned by a strong wind, that it was impossible for the department to make much headway against the flames and the dwelling was practically a total loss.

Neighbors succeeded in removing most of the furniture, but the loss to Mr. Boudell will be quite heavy. He is a coal miner.

NEW BOOKS AT LIBRARY.

The Pana Public library has added twelve new books to its collections within the past week. The librarians are making preparations for the Illinois conference that will be held at Peoria the 7th to the 9th of this month.

The list of new books are the following:

Theodore Roosevelt's Letters to His Children.
The World and I—Ella Wheeler Wilcox.

FIRST MEETING.

The Daughters of Isabella held their first meeting of the first council that has ever been organized in Pana at the Sacred Heart school Tuesday evening, Oct. 7. All the members were present at this meeting and are more than pleased with this lodge.

GAVE DINNER.

Mrs. J. M. Olinger and Mrs. R. C. Danford of East Second street entertained at a 7 o'clock dinner for Marines Charles Barnett and Earl Hunter who have just recently returned from France. Members of the Barnett and the Hunter family were the only guests present. The home was beautifully decorated with flags and the table was fixed up with allied colors.

TO HELP K. OF C.

John Peters, son of Mrs Sadie Peters who for the last few days has been the guest of his mother received a telegram from Fort Benjamin Harrison telling him he must come at once. Peters left as soon as he could and he will do work for the Knights of Columbus but he will not be in army service, because he has been honorably discharged.

PERSONALS.

Will Higgins, Dudley Hitts, Charles Law, and Miss Floralee Coffman motored to Nokomis Monday to transact business.

Mrs. O. P. Galvin who has been ill at the Huber Memorial hospital for the past few days is slowly improving.

Mrs. J. K. Higgins of Witt is the guest of her sister, Mrs. Mary Lawson.

Miss Ruth and Kathryn Wilson of Chicago are here visiting their uncle, Mr. John Earls.

Mr. and Mrs. W. Smith and son of Hillsboro are the guests of Frank Davis.

Mrs. Roy Aden returned from Nokomis last night after attending the funeral of her grandmother.

Rev. Father Wuebbe, pastor of the Sacred Heart church in Oconee was a business visitor here Tuesday.

Mrs. Alva Peak left yesterday for Decatur where she will attend the convention of the Methodist church.

Mrs. John Dilley, Della, and Rose Goodal of Tower Hill were shopping in this city yesterday.

Mrs. N. E. Yeager, who for the past week has been visiting friends and relatives in Iowa was in Pana Wednesday enroute to Tower Hill.

Mrs. C. D. Manning of Decatur was here Tuesday on a business mission.

Louis Turner is in Morrisonville, Wis.

Mrs. A. H. Owens, who underwent an operation at the Huber Memorial hospital several days ago is improving rapidly.

Mr. and Mrs. J. L. Benjamin are spending several days in Chicago.

J. Will Race, formerly a citizen of this place, now representing a Racine Manufacturing company was in town Wednesday on business.

Art Houck was among the number taking in the Elks' convention yesterday.

A car load of bulk apples is being loaded here for Blue Island. They are all down apples, and are bringing the growers one dollar per hundred pounds. The apple crop has been very poor in this vicinity both in quality and quantity.

Attorney E. E. Dowells was in Springfield Tuesday on legal business.

Pana people wondering how any small town can secure a car load of sugar. Here one experiences the greatest difficulty in purchasing two pounds of granulated sugar. Colored sugars are a little more plentiful, but still to be classed as very scarce. Merchants claim that it is practically impossible to secure sugar from wholesalers in anything like quantities to supply their trade.

Carpenters are now at work erecting the frame of the new Byers bungalow on Kitchell avenue. They were delayed quite a while by the brick shortage that existed here.

FIGHT PROPOSED INCREASE IN RATE

Mattoon, Oct. 9. — The proposed boost in heat rates for its Mattoon patrons on the part of the Central Illinois Public Service Company is to be opposed to the last ditch by the city council, action to this effect having been taken by the aldermen at the regular meeting of that body on Tuesday evening.

The matter was brought before the council by City Attorney Real, who stated that he had been notified by the state utilities commission that a hearing, at which an increase in heating rates would be asked by the Public Service Company, had been set for Thursday, Oct. 9, and that if anything was to be done toward thwarting the Public Service Company from increasing its heating rates out of all reason, action would have to be taken at once. On motion of Alderman Gabbert, Mayor Ciana named a special committee of three to work with the city attorney in preparing a plan of combat against the proposed rates, employing additional counsel, if necessary, to assist the city attorney in his fight. This committee is composed of Aldermen Gabbert, Frisbey and Marxson. The commission is to be asked for a continuance of the hearing, so as to give the city time in which to prepare its case.

DALTON CITY.

HAD TO SPEND WEEKS IN BED

Gains Eighteen Pounds Taking Tanlac—Hasn't Felt So Well Since A Child.

"I haven't felt so perfectly well in every way since I was a girl, and I have gained exactly eighteen pounds since I commenced taking Tanlac," said Mrs. W. I. Cabert, who lives at 206 Edmund street, East Peoria, the other day.

"It certainly seems remarkable to me," continued Mrs Cabert, "that a few bottles of Tanlac could make such a wonderful change in my condition after everything else I had tried for nine long years had failed to help me at all. I suffered from a pain across the small of my back nearly all the time and this trouble finally got so bad that I couldn't walk up a short flight of steps without stopping to rest If I tried to do a little work around the house I would be laid up in bed for days from it, and my back would hurt so bad I could hardly turn over. My stomach was in bad condition, too, and everything I ate disagreed with me I would be nauseated after eating anything, and would often have severe cramping pains in the pit of my stomach. I was so nervous I couldn't sleep well and many nights I would have to get up and sit in a chair for hours at a time, and nearly every morning I would get up with a raging headache These troubles just kept getting worse all the time until I finally got to where I was hardly able to be up very long at a time, and had to spend weeks in bed

"One day one of my neighbors came in and told me what great things Tanlac had done for her and advised me to give it a trial, so I got my husband to get me a bottle and I commenced taking it. I can truthfully say that I felt better in just a few days after I began taking this wonderful medicine, and from that time on I improved every day. Now I am as well and strong as I ever was in my life, and can do all my housework and family washing without the least trouble. I am completely rid of those awful headaches, and my nerves are in such perfect condition that I sleep like a child every night. I never had a better appetite, and eat three hearty meals every day without suffering afterwards I am also glad to say that the pain has left my back altogether, and I can run up and down stairs now as well as I ever could In fact, I just couldn't ask for better health than I am now enjoying, and I'll tell the world that Tanlac is solely responsible for it all"

Tanlac is sold in Decatur by Decatur Drug Company, in Blue Mound by W. R Graham, and in Maroa by Smeltz Hobbs Company

ARCOLA BANK 25 YEARS OLD

Celebrates Anniversary by Increasing Salaries and Giving Bonuses

Arcola, Oct 9—The Arcola state bank celebrated its twenty-fifth anniversary yesterday, which was the date for the annual meeting of the stockholders and directors, and the yearly report showed by far the biggest year's business in the history of the institution

The bank offici ls expressed their approval by making substantial increases in the salaries of all its employes and distributing 1,200 in bonuses among them

The growth of the bank has been remarkable, the earnings for the year about equaling the amount of the capital stock. Most of the banks of this section of the country have considerably increased their business during the past year or two but the State bank has more than kept pace with the others and is a lap or two ahead in the general prosperity of the county

Do You Like to Clean Spark Plugs on the Road?

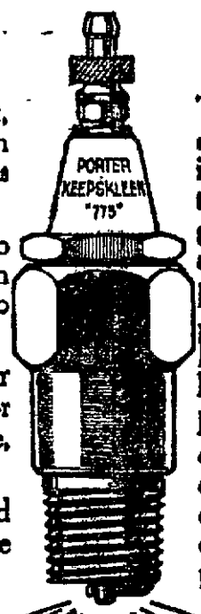

Make Your Spark Plugs Clean Themselves

Cleaning Spark Plugs is an unpleasant, tiresome job. If it has to be done on the road—as often happens—it is doubly so.

Put Plugs in your motor that need no attention—that clean themselves each time a cylinder fires, and do a better job than you could.

Save gasoline and oil—get more power and a quicker pick-up from your motor—by using the economical, long-life, self-cleaning PORTER PLUG.

The PORTER also keeps cylinders and valves cleaner, because of the more complete combustion of mixture.

Here's A Guarantee You Can't Equal

The PORTER PLUG is scientifically simple. Each explosion in the cylinder is accompanied by a smaller explosion in the Plug itself. The force of the burning gas sweeping through a narrow passage around the porcelain cleans it thoroughly.

It's the first time a correct self-cleaning principle has been applied to Spark Plugs. That's why we can give this liberal Guarantee.

If porcelains break or leak, if plugs fail to deliver the maximum spark even under excess oil conditions, or if plugs short circuit, within one year from date of purchase, we hereby guarantee to exchange plugs for new ones or refund money.

DECATUR WOMAN AT CHICAGO MEET

Mrs. William Barnes of this city was among the women in attendance at a meeting at the Casino club in Chicago Tuesday, headed by Mrs. Kellogg Fairbank, and Mitchell D Follansbee, regarding the proposed $15,250,000 Harvard endowment fund Among the other members of Mrs. Fairbank's committee at the meeting were Mrs. William Prescott Hunt, Mrs. Hathaway Watson, Mrs. Samuel T. Chase, Mrs. Potter Palmer, Mrs. W. David Owen, Mrs. Fletcher Dobyns and Mrs. Kay Wood.

At this meeting a telegram was received from headquartes in New York announcing that the total to date in the fund is $3,516,000. It was decided to hold a meeting Oct. 20, when General Leonard Wood and Thomas W. Lamont of New York will speak.

Chicago Harvard men, numbering about 900, are asked to contribute $1,000,000 to the fund. The drive was started there Tuesday by Edgar H. Wells of New York, secretary of the Harvard Alumni association, with a luncheon at the Morrison hotel. The campaign will end Nov. 1. Earnings from the immense fund will go for a 50 per cent increase in the salaries of Harvard professors.

AS A RESULT of the semi-finals in the golf championship tournament Wednesday afternoon at the Country club, Mrs. Ralph Conklin and Mrs. F. M. Dickinson will play for the championship on Saturday. Mrs. Conklin defeated Miss Adele Blackstone yesterday 5 up and 3 to play, and Mrs. Dickinson defeated Mrs. E. J. Brown 4 up and 3 to play.

In the consolation Miss June Ewing won from Mrs. Robert Mueller and Mrs. R. U. Maffit won on a bye. Miss Ewing and Mrs. Maffit will play for the consolation on Saturday.

VISITING Elks Ladies were well entertained by the local Elks Ladies auxiliary Thursday afternoon. At 12:30 the luncheon for them was given, and following the luncheon a card party was held. Ward roses, southern smilax, candles, and flowers in glass baskets decorated the luncheon tables and room. The candles were in white candlesticks with purple shades.

Probably thirty-five or forty visiting Elks Ladies were here Wednesday but some returned at night. Others were expected in today, so with the local women it was expected there would be at least 100 in the party today.

Church

GIVE RECEPTION FOR REV. J. O. TODD

Many Greet New Pastor of First United Brethren Church.

There was a large attendance at the reception held in the First United Brethren church for Rev. J. O. Todd and family. Those in the receiving line were Rev. E. H. Shuey, Rev. and Mrs. J. O. Todd, Rev. Ida Hotell, Mrs. E. H. Shuey, Mrs. Armsworth, Miss Ruth Giffin and W. H Heinle and Mrs. George Bopp.

Music was furnished during the evening by the Sunday school orchestra and the male quartet. Edward Lappart sang and Mrs. Edward Lappart gave a reading. Grant Barnes and Mr. Sabloma gave a mandolin duet and Violet Rau a piano solo.

Rev. Elisha Safford, pastor of the Westminster Presbyterian church gave an address of welcome in be-half of the ministers of the city, Rev. Ida Hotell welcomed Rev. and Mrs. J. O. Todd in be-half of the United Brethren churches of Decatur. W. H. Heinle represented the First United Brethren church and Sunday school. Rev. and Mrs. Todd responded to the welcome. Refreshments were served during the evening.

FIRST BAPTIST BAZAR FRIDAY

The women of the Ladies' Aid society of the First Baptist church will hold a bazaar and jitney supper at the church Friday evening. The bazaar will be held in the Sunday school rooms. Ice-cream cones and pop-corn will be sold there as well as the many hand-made articles.

The jitny supper will be held in the basement dining room. The women will start serving at 5 o'clock. The menu for the supper is as follows: chicken and noodles, roast beef and gravy, mashed potatoes, baked squash, cold slaw, salads and pies of all kinds, apples sauce cookies and coffee. All the food will be home cooked by the women of the society who are working hard to make the supper a success.

PRICE OF MOPS TAKE BIG JUMP

School Board Must Pay $1 Each More Than Three Years Ago.

Three years ago the business agent of the board of education bought long on mops paying $48 a gross of thirty-three and a third cents each for twenty-four ounce mops. The supply bought at that time has just been exhausted and the schools are now asked to pay $1.33 cents each for the same sort of mops.

Proofs of the public school directory for this year are now being read and the directory will be ready for circulation some time next week.

Principal T M. Dean and Assistant Principal H. D. Trimble of the high school will leave for Peoria Friday afternoon to attend the meeting of the Illinois School Master's club. They will arrive in time to attend the banquet Friday evening, will be present at the sessions of the club on Saturday and Mr. Trimble will remain to visit friends on Sunday.

BIG ULCER ALL HEALED

"Now I Can Walk," Says Mrs. Southcott of Medina.

"Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars."

"Money isn't everything in this world. There is many a big hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 35 cents a box."

Read this letter, written February 14, 1918, by Mrs. Albert Southcott, of Medina, N. Y. It seems like a miracle, but it is true, every word of it.

I know it because I get similar letters almost every day.

Is it any wonder I am happy!

Peterson Ointment Co., Inc., Buffalo, N. Y.

Dear Sirs—

"I was an untold sufferer from an old running sore and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars worth of the salve I am cured. The ulcer was 9 inches by 6½ inches, is all healed and I can walk. Never, never will I be without Peterson's again.

"You may use this to recommend your ointment if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Medina, N. Y.

GOOD ATTENDANCE AT INSTITUTE

Tuscola, Oct. 9.—The Douglas County Farmers' Institute opened on Wednesday, with a reasonable lot of exhibits of Douglas county products. The corridors in the court house were not so full of samples of grain, fruit and vegetables as has been the case at the institutes of former years. There are some fine samples of grain and seeds, but the fact that there is practically no fruit in this county this year, accounts for the shortage of exhibits along that line.

VEGETABLES FEW

The exhibits of vegetables is short as compared with former years, all late fall vegetables being cut extremely short by the dry weather that has prevailed. There is a very nice exhibit of cakes and bread, but the shortage of sugar has in all probability greatly reduced the number of cakes and plates of cookies that would have otherwise been on exhibition. The exhibit of needlework by high school girls is said to be very good. The attendance for the opening day was very good, and the attendance by the ladies at the Household Science Department was especially good.

INTERESTING TALKS

The talks of J. G. Imboden of Decatur on "Buying, Feeding and selling Cattle for Profit," and of Dr. A. T. Peters of Springfield on "Animal Diseases," were said by the farmers in attendence, to be very interesting. The session was held in the Circuit court room on the third floor of the court house.

The Supervisor's room on the first floor, where the session of the Household Science Department was held, was filled to overflowing by ladies who had turned out to hear the very interesting talk that was given by Mrs. Lena S. Mann of Gilman, on "Dinner, Luncheon and Breakfast Serving." Her talk was accompanied by demonstrations of setting tables and serving.

HOTEL PORTER DIES.

James Chamblin, of Newman died at the Newman Memorial hospital in this city on Tuesday evening, from organic heart trouble. He deceased has no relatives near here, but is thought to have a sister in St. Louis and a sister in Sedalia, Mo., who is now supposed to be living in Terre Haute, Ind. Attempts to communicate with both of these by telegraph were made, but up to 5 o'clock Wednesday no replies had been received. Mr. Chamblin was thought to be between sixty and sixty-five years of age, by those who have known him longest. For the last twenty-five years he has worked most of the time as porter in hotels in Newman, Hume and Tuscola having put in most of that time at Newman than any other place. He was probably known by as many commercial travelling men as any man in Central Illinois. The body was taken to the Heinz and Cramer undertaking rooms, where it was prepared for burial and held for possible word from relatives.

FIRST GAME AT NEWMAN.

The Tuscola High School foot ball team will play the Shelbyville High team on the Tuscola grounds on next Saturday afternoon. This will be the first game of the season for the local team on their home grounds.

JOHN BRINKLEY DEATH.

John Brinkley, formerly a laboring man of this city and who has been a sufferer from stomach trouble, died at his home in the south part of town on Tuesday night. His sickness covered a period of several years. He was about seventy years old and leaves a wife and eight grown up children. The funeral was held on Thursday afternoon.

PERSONALS.

Mrs. Will Campbell of Murdock was a Wednesday visitor at the home of her parents, Mr. and Mrs. A. J. Fonner in this city.

Mrs. Lulu Coleman who has been visiting Tuscola relatives returned to Decatur Wednesday.

Leonard Owen of the Cashford Art store has gone to Detroit this week.

H. A. Marlo and Mrs. Allen Marlo went to Bloomingdale, Ind., Wednesday.

Lewis K. Irwin was a Wednesday visitor in Decatur.

Fred Barmeister went to Marshall, Ind. Wednesday.

Curt Thorpton has installed and opened an ice cream and drink parlor in connection with his Sale Street book and stationery store, at the old S. M. Reinheimer place.

The Buehrig Jewelry store on Sale street has arranged a show window for the farmers' institute week that is attracting considerable attention. Under a show card announcing them as "Precious Gems from The Illinois Prairies" is a collection of grain and seeds as well as some fruit and vegetables grown in this immediate vicinity.

MERCHANTS CASH FAKE CHECKS

Taylorville, Oct. 9.—Three local merchants who cashed checks for a stranger on Saturday night discovered yesterday that they had been victimized. The man presented a check purporting to be signed by T. Y. Byship for $20 made in favor of E. M. Jones to Emery Rosengrant for the payment of a small amount of goods. The merchant cashed the check and it was returned to him yesterday marked no such account. Later on in the day Sol Broverman brought a similar check to the sheriff's office for $30 and he was followed by Minnis and Weitzel who had one just like the other two only the amount was $20.

The man is thought to have fled the city and only a vague description of him is available.

BAKER-LAWRENCE

Ray C. Lawrence and Miss Margaret L. Baker both of South Fork township were united in marriage by Justice of the Peace Joseph E. Wade yesterday. They are prominent farmers in the neighborhood of Sicily.

MINERS REFUSED TO WORK

Miners of the Hewittville mine of the Christian county coal company refused to work yesterday because the wash house was not heated and their work clothes were wet from the day before. Arrangements are being made to correct the condition which has existed for some time over the complaint of the men.

MRS. TURNER DEAD

Mrs. Euphemia M. Turner, one of the older residents of the city died Tuesday morning after a long illness at the home of her daughter, Mrs. E. E. Adams. She was 76 years, 11 months and 3 days old.

The funeral services were held Wednesday afternoon at 2:30 o'clock from the Adams residence and interment was in Oak Hill cemetery.

ALFRED TAPP FUNERAL

Funeral services for Alfred Tapp a former resident of this county were conducted at the old Stonington church Wednesday morning at 10 o'clock. He was killed by an interurban car in Danville last Saturday. Surviving are the wife, six children, five brothers and two sisters.

GIVE TO SALVATION ARMY

The Miners local of this city contributed the sum of $300 for the Salvation army drive at their meeting of Tuesday night. The sum puts Taylorville township over the top but the rest of the county is still lagging in its quota.

DRINKS FORMALDEHYDE

Joe Paitner who lives near Palmer accidently drank a weakened solution of formaldehyde by mistake Saturday. He will recover. He had the jug in the field of wheat he was planting and mistook it for a jug of water he had near by.

OREANA.

Mr. and Mrs. Will Albert and children and Mr. and Mrs. Stanton Maxwell visited relatives near Charleston from Saturday until Monday.

Miss Velma Aydelotte is visiting with friends in the north part of the state.

Mrs. Denny left Thursday for her home in York, Penn., after an extended visit with her daughter, Mrs. D. T. Holman.

Mr. Charley Beatty has returned to his home in Kentucky after a short visit with his neice, Mrs. Elizabeth Turpin.

Those who attended the Baptist Association at Springfield from here last week were Rev. J. A. Ishmael and daughter, Geraldine, Miss Velma Kohr, Mr. and Mrs. Albert Wert, Mrs. O. Adkins, Miss Alice Strope.

Miss Lillian Harkins, county home advisor met with the ladies of this township Wednesday afternoon.

There will be a box social and pie supper at the Miller school west of Oreana Friday night, Oct. 10.

Beauty Answers

By Madame Maree.

EDNA C.—The surest way to make the hair grow long, silky and beautiful is the easiest way. The following method will actually compel your hair to grow faster, longer and with a superb gloss of life and vigor than anything else known. You can do it, as thousands of others have already done. A few days' use of this formula will convince you that what I say is right. Not half of its wonderful work has been told. Just try it. Hair will stop falling, thin spots will fill in, and your hair will be the envy of your many friends. Add one ounce of betaquinol, 50 cents worth to a half pint each of bay rum and water (or a full pint of witch-hazel instead), and mix thoroughly. Use this mixture liberally every day. It is not oily, and is very pleasant to use. You will find it exceedingly economical.

• • •

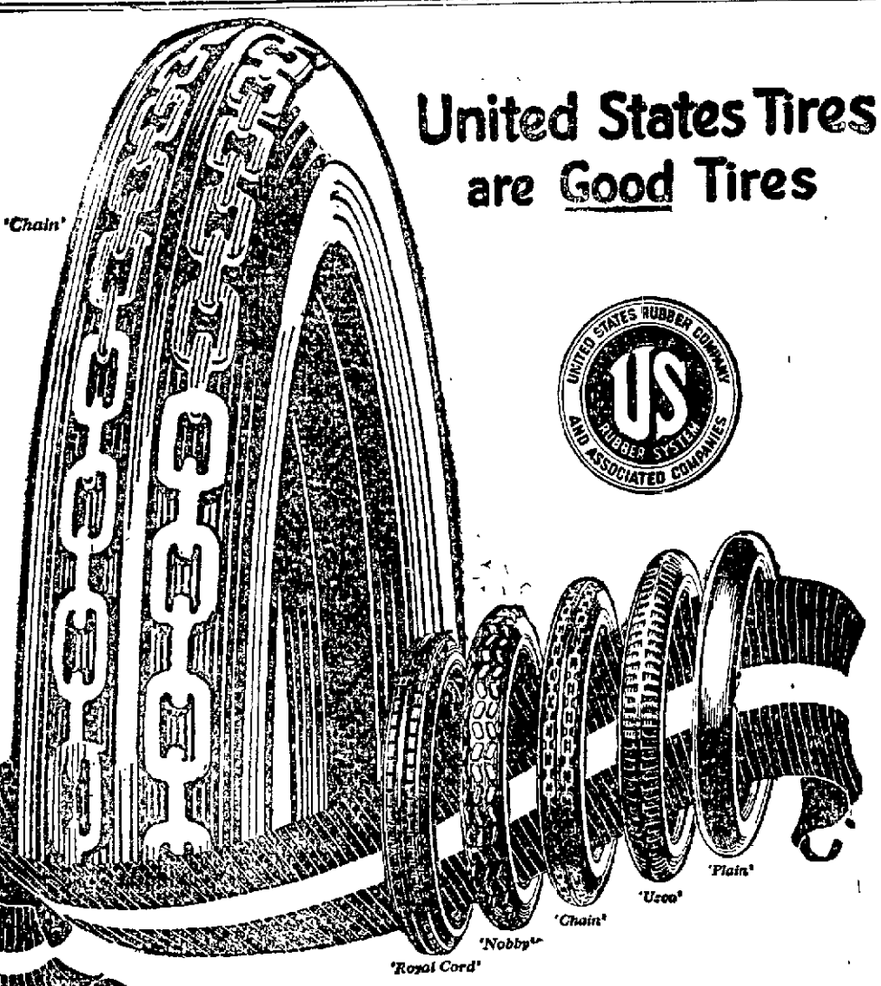

BERTHA T.—Here is a wrinkle formula which has never failed to do perfect work. You can make it at home in a few moments, and it costs less than any wrinkle treatment you can get at the stores already prepared. Get a two-ounce package of eptol, 50 cents worth and mix this with two tablespoonfuls of glycerine in half a pint of water. Apply liberally every day. The skin will grow more plump and deep lines, crows' feet and other large and small wrinkles will gradually fill out and vanish.

• • •

HIRSUTE—You can be sure that there is but one sensible way to remove hairs from the upper lip and, in fact from any part of the body. It is foolish to "burn" them off, injuring and spotting the skin. Just moisten the hairs with sulfo solution, secured from the drug store for one dollar. This will actually dissolve away the hairs completely and leave the skin superbly soft and smooth. It will not irritate the most delicate skin.

Tobacco Habit Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and lo; the pernicious habit quickly vanishes. Druglists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. If the meantime try Nicotol tablets: you will be surprised at the result.

URGES STAMPING OUT OF CHOLERA

Dr. A. M. Meade Tells of Hog Infection.

NEED PROMPT ACTION

Should Burn Dead Stock, Not Bury.

Vaccination and organized effort is being urged upon the farmers of Macon county to get the upper hand of the infection of hog cholera which is developing in certain districts in the county and which it is feared may spread and cause much loss.

At a meeting held in the Ridge school house, southeast of Oakley, Wednesday night Dr. A. M Meade, of the United States department of animal husbandry, told of the infected districts in Macon county which have ben located in the southeast part of the county, another small area west of Decatur and on a few farms near Argenta.

NEED ORGANIZED ACTION.

Dr. Meade warned the farmers in attendance at the meeting Wednesday night of the need of organized action to prevent the spread and to stamp out the disease.

Hogs which have died of cholera should be burned, said the expert, not buried, as dogs or other hogs may dig up the carcasses thus buried and spread the disease. A burning pit can easily be made of a trench across which a few iron bars are laid on which the carcass of the dead animal is placed. A fire started under it will be fed by the grease from the hog and the entire body will soon be burned.

CARRIED ON SHOES.

Infection can also be carried on the shoes of men who have tramped about an infected field, by dogs, implements loaned by one farmer to another, wagon tires and of course by hogs themselves.

Dr. Meade gave many examples of how the infection is spread and he spoke of the need of prompt organized effort by the swine breeders of this county if they are not to suffer very heavy losses in these times of valuable pork.

DEVELOPS QUICKLY.

In from seven to ten days after the hog is exposed he will develop the cholera and death may follow in any time from a week to a month after that time.

It is expected that the Macon county farm bureau will give every possible assistance to the expert as well as to its members and others to stamp out this plague which might easily cause the farmers of this county hundreds of thousands of dollars loss.

How Are Your Kidneys? Asks Dr. Carey, Specialist

Famous Kidney and Bladder Physician Retiring From Active Practice Appoints Shilling Drug Co. Agent in this Vicinity for His Great Medicine, Marshroot.

During his forty years of constant practice Dr. Daniel G. Carey has helped many thousands of despairing kidney diseased men and women in all sections of the country to regain robust health.

Don't take any chances with your kidneys. If you have the faintest suspicion that your kidneys are weak or your bladder is irritated the wisest thing you can do is to get a bottle of Dr. Carey's Marshroot at once.

Remember, Marshroot is not a cure-all or patent medicine, but is Dr. Carey's most wonderful prescription, which he now gives to all the world and his army of patients only because he has decided to retire from active practice.

The tiniest signals often indicate that the kidneys are ailing and need attention. Dry skin for instance and little specks floating before the eyes.

Sometimes the feet feel heavy, as if your shoes were full of lead.

Often the joints ache or you have quick, darting pains shooting through the back or side

Then again that frequent desire to empty the bladder, cold, clammy feet and just a little puffiness under the eyes.

Occasionally the hands or feet swell slightly and the palms of the hands are moist.

A regular practicing physician has devoted more time to the study of kidney and bladder diseases than Dr. Carey. He himself asserts that many thousands of cases of Bright's disease and even diabetes could have been conquered by Marshroot, if it had been taken in time. Hereafter you can always get this effective prescription at Shilling Drug Co., and all reliable pharmacists the country over. Keep in mind the name, Dr. Carey's Marshroot. No other medicine can take its place Shilling Drug Company.

MORE PRAISE FOR CAMPING GROUND

Columbus Party Wants Ohio City to Furnish Same.

"This is the greatest thing yet," is the way M. A. Smith of Columbus, Ohio, a member of an automobile party of tourists who camped at the Decatur Free Camping ground at Fairview park Tuesday night, expressed his appreciation of the hospitality Decatur extended auto travelers.

"I'm going to write back home to the makers of an auto road map" he continued "and tell them they must mention the Decatur Free camp ground in their routes. Also I'm going to ask the Columbus Association of Commerce to follow Decatur's example and establish a free camp ground in our city This camp privilege is worth going miles to enjoy."

TO NEW MEXICO.

In the party with Mr. Smith are Charles A. Gardner and fifteen year old son Glen and Charles Watkins of Glouster, O. They are en route to New Mexico where they plan to spend the winter probably in the vicinity of Alamagorda.

The trip is being made in a Dodge touring car which is well equipped for cross country travel. A full wall tent is carried and for bedding a tarpaulin is spread on the ground. The men roll up in army blankets and declare the roads good in eastern Illinois, the only bad roads being experienced just east of Decatur.

M'KINLEY HERE FOR SHORT TIME

With Military Committee Investigating Army Properties.

Congressman W B. McKinley was in Decatur a short time Wednesday. He is in the west with the congressional military affairs committee which is inspecting the government camps and flying fields. The committee has been at Camp Grant and at Chanute field at Rantoul.

The government has not closed its options to buy at Rantoul and it is possible the field will not be maintained, the government simply paying a good rental for the time it has used the field.

Mr. McKinley left Wednesday afternoon for Cairo. He was accompanied to Decatur by Orville L. Davis who is, in a way, looking after the congressman's campaign for United States Senator.

To Springfield.

A number of Decatur Woodmen expect to go to Sprihgfield Sunday to attend the dedication of a monument to the memory of W. A. Northcutt, former lieutenant governor of Illinois and for many years head consul of the Modern Woodmen of America

DR. CYRIL HOPKINS WELL KNOWN HERE

Sidney Smith in His Classes at U. of I.

"I knew Dr. Cyril G. Hopkins very well," said Sidney B. Smith, county adviser of the Macon county farm bureau, when asked about Dr. Hopkins whose death at Gibraltar was announced Wednesday.

"I was in his classes for several years at the University of Illinois where he was head of the department of agronomy. He was recognized as a world authority on soils and their treatments."

WELL KNOWN HERE.

This well known expert on soil fertility was well known in Macon county where he had often been in other years on missions of agricultural advancement, particularly with reference to conservation of the soil or its upbuilding.

Walter Rowe, A. A. Hill, president of the farm bureau, C. A. Ewing and others here knew him well.

RECENTLY DECORATED.

A year ago Dr. Hopkins was given a leave of absence so that he might go to Greece as head of the agricultural department of the Red Cross to assist the farmers of that country to a better knowledge of soil reatment. He was recently decorated by the King of Greece for his great services but he sickened and died from malarial fever contracted under the adverse living conditions caused by the war. He was on his way home at the time of his death at Gibraltar.

IS LOSS TO STATE.

Acting President Kinley of the University, formerly dean of men there and well known here, said of Dr. Hopkins Wednesday:

"His loss is not only to the university and the state of Illinois but to the agricultural welfare and development of the entire world. His 25 years of service have been years of much fruit, marked by a noted progress in the subject of which he was master—agronomy. I am convinced that the state has progressed as much, and gained as much through the work and efforts of Dr. Hopkins as it has through the achievements of any other one man."

FIFTY YEARS IN M. E. CONFERENCE

Rev. J. W. Eckman Dies at Age of 75.

Rev. J. W. Eckman, for more than fifty years a member of the Illinois conference of the Methodist church, died Wednesday night at the family residence, 1171 West Eldorado street. He was seventy-five years old last march. The immediate cause of his death was uraemic poisoning. He had been in failing health for a long time.

Mr. Eckman was born in Lancaster, Pa., March 7, 1844. He enlisted in the Union army when he was only

REV. J. W. ECKMAN.

seventeen years old and served until almost the close of the war. After the close of the war he studied for the ministry, and at the Forty-fourth annual session of the Illinois Methodist conference at Champaign, in 1867, he was admitted to the conference on trial. That same year he was appointed to the Jacksonville circuit as a junior preacher, and he remained actively engaged in the ministry from then until his retirement about fifteen years ago. Ever since then the family has been in Decatur.

TAUGHT BIBLE CLASS.

When he retired from the ministry he did not give up church work but became the teacher of a large bible class at the First Methodist church and he continued teaching that class until failing health so weakened him that he had not the physical strength to climb the steps into the church.

MARRIED IN 1868.

Mr. Eckman and Miss Sarah Donley were married in Quincy, Dec. 5 1868, and they celebrated their golden wedding anniversary last December. At that time all of their eight children were present.

Besides his wife Mr. Eckman is survived by the following children: E. S. Eckman, M. H. Eckman, W. R. Eckman, Mrs. Beulah Zetterlind, and Miss Anna Eckman, all of Decatur. W. D. Eckman and Walter Eckman of Bloomington, and Dr. J. W. Eckman of Winchester, Ill. There are four grand-children.

J. L. BERRY SALE RECEIPTS $6,292

Hogs Sell from $20 to $25 per Hundred and Other Stock Well

Hogs brought $20 to $25 a hundred pounds, a fourteen months old shorthorn bull calf brought $145, a twelve months old calf of the same kind brought $122, a pair of four year old mules brought $437.50, a three year old heifer brought $155, a two year old brought $110 and 130 head of sheep brought an average of nearly $20 a head at the stock sale which J. L. Berry held at the T. B. Jack farm near Mt. Zion Wednesday afternoon.

The total receipts of the sale were $6292, exceeding the expectations of Mr. Berry by a considerable sum and of the total amount all was in cash with the exception of three notes although the privilege of giving notes was offered.

LARGE ATTENDANCE

There was a large attendance at the sale at which nearly 275 head of hogs, sheep, cattle, horses and mules were offered. F. E. Wilson & Son of Decatur cried the sale.

The Ladies aid of the Presbyterian church served lunch at the sale and they added a clear profit of $60 to their treasury as a result of the large crowd and liberal patronage.

BISHOP M'CONNELL SPEAKS TO 1800

Declares Mexico Needs Mission Schools.

It was estimated 1800 people heard Bishop McConnell's lecture on Mexico Wednesday night in the First Methodist church in connection with the W. F. M. S. convention. Bishop McConnell has been in Mexico for some time recently, and was one of a commission of three appointed by President Wilson to investigate and make recommendations regarding the Mexican situation. He is thoroughly familiar with conditions in Mexico and his talk was of extreme interest.

Bishop McConnell said that the first step in the Mexican problem is to establish mission schools and educate the people, that it is necessary to begin with a Mexican when he is young if he is to be reformed. Sending U. S. troops to Mexico or commercial agencies will not solve the problem. The bishop said that women ought to have complete suffrage, and they have an important part in solving the Mexican problem. He gave many interesting stories about life and work in Mexico, many of them being humorous.

ENJOYED MUSIC.

The musical program furnished at the Wednesday night session by the Colored Jubilee singers was much enjoyed. Rev. C. R. Booth led the devotions.

The church was crowded Wednesday afternoon for the first of the Quiet Hours conducted by Bishop Shepard. During the Quit Hour the doors were closed and no one was admitted.

During the memorial hour which followed the conference secretaries came forward to the platform bearing a cluster of white carnations, one for each death in the district.

HEAR MISS HOWE.

Much interest was taken in the talk by Miss Gertrude Howe, who is the oldest missionary in the church. She has been serving as a missionary for forty-nine years. Here theme was "That they might know Him."

Talks by other missionaries gave the women many interesting points about missionary work in other lands.

In the address by Miss Winifred Willard she told of the great work done by the Methodist women in the five year program closing with the jubilee year.

PRETTY PAGEANT.

The hundreds of children who took part in the pageant at 4 o'clock made an extremely pretty sight. The Little Light Bearers, the tiny children from two to five years of age, gave "The Fairies' Festival." In the other pageant by the older children the children were dressed in white, wore yellow crowns and carried yellow trumpets and stars. The pageant closed with the forming of a rainbow.

Owing to the big crowd some were unable to get in the church and the pageant was presented a second time at the First Presbyterian church.

Another feature of the children's hour was a program of bird songs by W. B. Olds.

Amoma Bible Class.

The Amoma Bible class of the East Park Baptist church met with Mrs. John Brosam, 1709 E. Eldorado street, Tuesday evening with thirteen members and five visitors present. The meeting was conducted by Mrs. Charles Hebel. A short business session was held, during which the following committees were appointed:

Floral—Mrs. Portwood, Mrs. J. Brosam.
Visiting—Mrs. Caskey, Mrs. John Adolph, Mrs. Ed Walsh.
Social—Mrs. Arthur Waddell, Mrs. Roby Mrs. A. Hayes.
Press—Mrs. Charles Hebel.

It was decided to have a dollar social and each woman is to earn her own dollar.

After the business session a social time was enjoyed. The hostess was assisted by Mrs. W. A. Hayes in serving. The meeting adjourned to meet with Mrs. Ed Walsh, 1803 East Prairie, the first Monday in November.

40 YEARS ON THE JOB

I put in 40 years as a practical druggist (now in my 47th year) and compounder of prescriptions before I put Number 40 For The Blood on the market and at this late date in life I would not recommend a medicine that I did not believe was equal or superior to any other. I have observed the effect of Number 40 in thousands of cases and use it universally in my own family for blood poisoning in any form. For constipation, biliousness, stomach and liver troubles. For chronic rheumatism, catarrh, eczema and all skin troubles. There is more Number 40 sold and used in this vicinity than all other blood medicines combined. J. C. Meadenhall, Evansville, Ind. Sold and recommended by Decatur Drug Co.

BIG WEDDING FOR MISS CONARD

Many Guests at Conard-Shonkwiler Nuptials in Monticello Tonight.

Monticello, Oct. 9.—Tonight at 6:30 o'clock a romance of early school days will culminate in the wedding of Miss Iva Louise Conard of this city and Francis Lucien Shonkwiler of Carthage, Ind.

Rev. Paul J. Gilbert of the Presbyterian church will unite the couple, using the double ring ceremony. Relatives and friends will witness the wedding which will take place in the home of the bride in East Main street. The color scheme of yellow and white will be carried out in the decorations of autumn leaves and chrysanthemums. Before the ceremony, Mrs. Roger Little of Champaign will sing "Because," with harp and violin accompaniment.

The bridal party will come down the stairway to the strains of Mendelssohn's wedding march played by Miss Gladys Lawless, Champaign harpist, and Miss Ruth Conard, sister of the bride, violinist.

ARCHWAY OF COLLEGE COLORS.

The couple will pass through an aisle formed by six children dressed in yellow and white and carrying baskets of sweetheart roses tied with rainbow ribbon. They will take their place beneath a wedding bell suspended from an archway which is decorated with college colors and pennants of Oberlin college and the University of Illinois. Ferns will be banked at one side of the archway to conceal the musicians. Miss Harriet Long of Toledo, O., will be bridesmaid and Robert Shonkwiler, brother of the bridegroom will be groomsman. Little ring-bearers will be Florence Conard and Philip Jacob, niece and nephew of the bride. Both of the children are foreign born, the little girl in South America and Philip in Turkey.

BRIDE'S GOWN.

At the conclusion of the ceremony Miss Lawless will play Nevin's love song. A three course wedding supper will be served. The bride will wear white georgette crepe with cap and veil. The cap was made in South America and was the gift of Miss Conard's brother and wife. She will carry flowers and her handkerchief is one sent her by Mr. Shonkwiler while he was in service in France. The bridesmaid will wear yellow organdie. She was roommate of Miss Conard during her last year in college.

ATTENDED OBERLIN COLLEGE.

Miss Conard is the youngest daughter of Mrs. P. W. Conard of this city and has always lived here. She is a graduate of the Monticello high school in the same class as Mr. Shonkwiler, and also is a graduate of Oberlin College, Toledo, O.

U. OF I. GRADUATE.

Mr. Shonkwiler is the second son of Attorney F. M. Shonkwiler and is a graduate of the University of Illinois in the mechanical engineering department. He is a member of the Phi Kappa Tau fraternity. He was recently discharged from the service, having been with the 53rd Coast Artillery. He is now assistant manager and engineer of the Carthage Board & Paper Co., of Carthage, Ind.

MANY GIFTS.

After November first the couple will be at home to their friends in a new bungalow. Among the wedding gifts they have received are many pieces of cut glass, silver, linen, a Chinese luncheon set, a check for $500 from an uncle and a new range from the company by which Mr. Shonkwiler is employed.

MANY GUESTS.

The following relatives and guests have been enjoying a reunion this week previous to the wedding: P. A. Conard and family, Montevideo, S. A.; Mrs. E. O. Jacob and family, New York City; Orr, Frank and Jonah Conard and families of Rockwell City, Ia.; Clyde Conard, Cheyenne, Wyo.; A. F. Conard, Whitham, Mo.; Miss Harriet Conard, Decatur; Miss Ruth Conard, Denver, Colo.; all brothers and sisters of the bride. Mrs. Charles Bond, sister of Mrs. Conard, and husband, Philadelphia, and their daughter, Mrs. Lee Moselle, Los Angeles, Calif.; Mrs. John B. Elam, Indianapolis; Mrs. Henry Henley, Terre Haute.

DID YOU EVER USE SLOANS?

Keep It Handy to Promote Prompt Relief from Rheumatic Pains and Aches.

WHEN you know what Sloan's Liniment will do, as thousands of men and women the world over know, you, too, will keep it handy. You will use it for those "twinges of rheumatiz," for relieving that lame back, muscle stiffness and soreness, aches, all sorts of external pains, and exposure aftermaths.

Only takes a little, applied without rubbing. Soon penetrates, scattering the congestion, bringing merciful relief to the throbbing, jumping part.

Three sizes—35c, 70c, $1.40. Any druggist has it. If not, we'd like to know his name.

DEWITT COUNTY WHEAT IS IN

Clinton, Oct. 9.—With the weather favorable most of the wheat in the county is now in and many fields have been drilled long enough to show considerable green.

The corn husking in Dewitt county will begin within two weeks and one farmer reported that he would start husking on his place Thursday. As to price the central state seems to be set on six and seven cents, Monticello and Piatt county having established a standard already for the husking.

PASTURES GOOD.

Pastures have been doing well again and general conditions have been the best possible. Most farmers say that they never saw a better autumn than this has been.

Roads are good, particularly around Clinton where the township has applied oil.

10,000 AT WELDON.

Closing a grand day with 10,000 people gathered from all over the county and this section, the Nixon township Homecoming was proclaimed the greatest event in the history of the town and one of the greatest in the history of Dewitt county. It is doubtful if any town of the size of Weldon has done as much for the war and for the service men in the state of Illinois.

SPAINHOUR-SEATON.

On Wednesday morning in the First Christian church parsonage with Rev. R. L. Cartwright, pastor officiating, was solemnized the marriage of Miss Alma Spainhour, daughter of the late Mr. and Mrs. Carl Spainhour, to William R. Seaton. Immediately after the wedding a big dinner was served in the bride's home. The newly married couple left for St. Louis on a short wedding trip, after which they will go to housekeeping in the residence property of Mrs. Ellen Hill, West Van Buren and South Grant avenue. The bride is a graduate of the Clinton high school in the class of 1911. Mr. Seaton returned to this city from overseas service in June. He is employed as a brakeman on the I. C. Springfield district.

MRS. ADDIE KERN DIES.

Mrs. Addie Kern, wife of the late Fred H. Kern, died at the family home, 720 East Washington street, at noon from a complication of diseases from which she has been a sufferer since June. The deceased was about 60 years of age and is survived by two sons, Fred H., traveling salesman, who is in Edmonson, Canada, and Carl, who is employed at the I. C. shops. She is also survived by a sister residing in Centralia.

HEAVY FINE FOR SPEEDING.

John Tucker of this city, was fined $100 and costs by Judge John Hedinger for speeding. The total amount of the fine and costs were $121.40. Tucker had an accident on Main street some time ago which was the cause of the fine.

LEROY COX DIES.

Mrs. Lewis Goss, north of Clinton, has received a message announcing the death of her brother, LeRoy Cox, who died suddenly at his home in Tacoma, Wash., of heart failure.

Weak Eyes Lavoptik

There has never been anything in Decatur with the QUICK results of simple witch hazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. In one case of weak, inflamed eyes a few days' use of Lavoptik brought surprising results. In another case TWO applications relieved sharp eye pains. The witch hazel and camphor soothe and relieve the inflammation; the hydrastis and other ingredients have tonic and antiseptic properties. We guarantee a small bottle Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE.

WET WEATHER SENDS CORN UP

Chicago, Oct. 9.—Prospects that wet weather might seriously interfere with the movement of corn from first hands had a bullish effect today on the corn market. The government crop report seemed to exert no contrary influence, and was generally regarded as having been discounted before hand. Shorts were the chief buyers. Opening prices, which varied from the same as yesterday's finish to ⅞c higher, with December $1.22¾ to 1.22⅞ and May $1.21 to 1.21¼, were followed by moderate gains all-around.

Subsequently reports that rural offerings had increased and that a railroad freight embargo had been put in force at New York led to a temporary downturn in prices. The close nevertheless was firm, ⅞ to 1⅛c net higher, with December $1.23½ to $1.23⅝ and May $1.21⅞ to $1.22.

OATS STRENGTHENED.

Bidding from exporters gave strength to oats. After opening unchanged to ⅝c higher, including December at 70¾ to 71c, the market continued to harden.

Provisions were weak as a result of lower quotations on hogs. Besides, shipments of meats to New York were being hampered by the longshoremen's strike.

HOG PRICES DROP TO $13.50 TO $14

Old Corn at $1.25 and New $1.05 to $1.10.

Down to the lowest point since the United States entered the war went the price of hogs Thursday, tops dropping to $13.50 to $14 per hundred pounds in the Decatur market. This is fully eight cents a pound less than they were selling some weeks ago and represents the greatest step in the direction of lower food costs which has yet developed.

CORN LOWER.

Corn also yielded under the continued pressure of the past few days with a drop of a cent to three cents at a time. Decatur buyers dropped Thursday from $1.30 to $1.25 with new corn bringing from $1.05 to $1.10. Some new corn is coming in but in small quantities only.

Beef hides have also declined slightly, the average drop being about one cent a pound for both green and cured stock.

CROP REPORT IS SURPRISE HERE

Believe Corn Below Expectations Rather Than Above.

Reports by government experts that the corn crop prospects in Illinois were better than expected were rather surprising to many of the farmers in this country. Shucking for feed as some of the farmers have been has indicated to many of them that the crop here is rather below than above expectations.

One man who has been shucking considerable corn in Milam township says that his crop seems now to be running between twenty-five and thirty bushels to the acre when he expected it to be much higher than that.

The same report is coming in from other sections of the county. The belief here is that Macon county suffered from a shortage of moisture at a critical time in the development of the grain.

TRACTORS HOLD INTEREST AT LINCOLN

Lincoln, Oct. 9.—Crowds of Logan county farmers and farm women threaded their way along every road coming into Lincoln yesterday and made straight for the Lincoln chautauqua grounds where the tractor demonstrations held the attention of the men and the talks and demonstrations held the attention of the women in an all day picnic.

The greatest interest of the day was centered in the tractor contest in plowing held on two fields north of the grounds. Twenty tractors of different make desired to plow. There was only enough room for fifteen to work and the first fifteen to enter were accepted.

W.F.M.S. SELECTS DETROIT FOR 1920

All Officers Nominated Are Elected—Many Reports Read at Thursday Session.

Detroit, Mich., will entertain the 1920 meeting of the Northwestern branch of the W. F. M. S. of the Methodist church, according to action taken at the Thursday morning session at the First Methodist church. The invitation to meet in that city came in the report from the conference secretary of the Detroit conference. The Detroit Central church will be the host. The motion to accept the invitation was not made in the usual form, one enthusiastic woman making a motion to the effect that "we all go," and that motion was unanimously adopted.

A good deal of the time Thursday morning was given up to reports on the medical work in foreign countries by missionaries and nurses. This line of work is the one which is to be stressed next year by the Woman's Foreign Missionary society.

HEAR REPORTS

Following the opening exercises and devotions, a number of department reports were made. Mrs. A. H. Andr—s gave the report on special work, Mrs. W. W. Lazear the interdenominational report, and mention was made of the retirement work.

The report of the tellers for Wednesday's election reported that nearly 600 votes had been cast, and nearly all had voted the straight ticket presented Wednesday, and those officers were declared elected. These officers are according to the list published in Wednesday's Review. Most of these officers are the same as served the last few years, but there were about three new officers in the list and they were called to the front to be introduced to the convention.

JUBILEE CAMPAIGN

Reports on the Jubilee campaign of the society showed surprising results. The five years proceeding the golden anniversary have been used for a jubilee campaign, and definite goals were set for the societies in this campaign. The Way societies have not only reached their goals but have gone beyond them has been most gratifying.

These reports were given by conference secretaries. The Central Swedish conference was spoken of as the largest in territory but small numerically, but nevertheless it made a splendid showing. The Chicago German conference also did good work. In the report of the West Wisconsin conference it was reported that one district made the best showing in the entire branch in the matter of tithers, having 51 per cent of its membership as tithers. Wisconsin, Michigan, Detroit, Northwest Indiana, North Indiana, Indiana, Southern Illinois Illinois, Central Illinois and Rock River conferences all told of the great results they had accomplished in the jubilee movement.

DECATUR MENTIONED

Mrs. E. G. Coon of Rantoul, secretary of Illinois conference, mentioned in her report that the Decatur First church had the largest auxiliary and that Decatur district had the largest number of tithers. She also told of thirty young people from the First church who had volunteered for special service and had fromed the I. A. H. circle.

Springfield district was declared the "belle" of the conference, since it had sold the most Golden Victory bells.

After each conference report the delegation from that conference was asked to stand. Illinois conference of course, had the largest delegation, but some of the other conferences had surprisingly large representation.

A quilt made for missionary benefit was exhibited at the session and the offering was deposited in this quilt. The offering was taken up in small pans and the contents of the pans were then taken to the front and deposited in the quilt. It was stated that Dr. Kahn could use all the quilts that would be made and sent to her hospital in China.

MEDICAL WORK.

The latter part of the morning session was given up to the reports on medical work. Dr. Margaret Lewis spoke of the hospital work in Indi... She said she would startle her hearers by her first few words, which were: "Don't establish any more hospitals now." She went on to explain, however, that it is useless and a waste of money to establish hospitals, which would have to be closed later for lack of doctors and equipment.

She laid emphasis on the fact that the women should support the hospitals they already have, send doctors and nurses, and equipment, so there would be no necessity of having to close them later, as had been done in some instances. Dr. Lewis is at Kolar, India. Miss Griffin, also from India, spoke of the great need for doctors and nurses. Dr. Gimson told of the terrible condition in that country during the influenza epidemic, when thousands were dying and the missionaries and doctors were so few in number.

THE FAR EAST.

Miss Carson, nurse, spoke of the Mary Johnson hospital in Manila, P. I., and brought out the great need for workers.

Unusual interest was shown in the talk by Dr. Ida Kahn, the Chinese missionary, who told of her hospital work in China. When she was introduced she was greeted with applause and the entire audience rose to its feet. Dr. Kahn said that China was worth saving, and she told of the desperate need for hospital work. She gave some instances of what had been done, and astonished her hearers by saying that in China they have only one trained nurse for every two hospitals. There are a great many cases of suicide there, because so many of the people have nothing to live for. She mentioned different diseases from which the people suffer, and stated that the number of tuberculosis cases is appalling.

"If America shares her Christianity with us, China, after she has become Christianized, and America will be bound more closely together than ever. China must depend on the efforts of America to become Christian. The Chinese people are bound down by the customs of years and they can not flop over in one minute, but it will take time to Christianize the nation." Other missionaries also gave short talks.

ATTEND BANQUET.

Several hundred women attended the M. O. G. H. banquet Thursday noon at the Second Presbyterian church. It was one of the interesting events of the convention.

Thursday afternoon's session began with an organ prelude by Miss Edna Bunn, followed by the Quiet Hour led by iBshop Shepard. Mrs. William Fraser McDowell was to give an address this afternoon, and there were to be other talks by missionaries.

This evening the young people's rally takes place at 5 o'clock in the Second Presbyterian church, followed by a banquet, and then the young people will come to the First Methodist church for the evening service, seats being reserved for them there. At the service tonight the address is to be given by Miss Carlotta Hoffman of Aligarh, India. The convention will close with a farewell to the outgoing missionaries.

TONIGHT'S MUSIC.

Music at the conference Thursday evening will be furnished by the Millikin Conservatory of Music. The program which will begin at 7:40 in the First Methodist church is as follows:

Three movements of Mozart Trio in C Major No. 4, piano, violin and cello by W. M. Gallup, M. L. Swarthout and D. M. Swarthout.

Three Grieg songs, "Solvejg's Cradle Song," "With the Water Lily" and "I Love Thee," by Miss Fredericka Green with Miss Mary Keith at the piano.

The trio will close the thirty minute program with the slow movement of the Mendelssohn Trio in D minor.

CONVENTION NOTES.

As might be expected, many of the women have trouble in making themselves heard in such a large auditorium. As a consequence a great deal of the talks is lost by many of the delegates.

Several of the ministers of the Illinois conference are attending the convention, though the men folks are mighty scarce around the church. Among those present Thursday was Rev. E. G. Sandmeyer of Charleston.

The Girls' quartet from the Pythian home sang at Wednesday morning's session and will also sing again Thursday evening.

Miss Edith Bell, field worker, in telling of the Jubilee work, mentioned the fact that several years ago when she visited churches and asked for missionary money the people thought she asked too much. Since the Jubilee campaign has been on, she has been finding that they think she doesn't ask for enough.

Many of the delegates are leaving this afternoon for their homes.

The chairmen of the Decatur committees who are entertaining the convention were called to the front and introduced Thursday noon.

Everyone has been extremely well pleased with the treasurer's report which was presented at the Wednesday night session. It showed grand total receipts of $408,474.30 for the last year, and disbursements of $399,256.89. Of the money used, $133,833.24 went for work in India, and $139,126.36 for work in China.

A. R. TALBOT TO COME TO DECATUR

Head Consul of Woodmen Will be Here in December.

Decatur Camp 144, M. W. A., invites al lmembers of the society to attend its meeting on Friday night, Oct. 10. Arrangements are to be made for a large meeting early in December at which time the Woodmen will entertain Head Consul A. R. Talbot and other head officers. Refreshments will be served and there will be a general good time for everyone.

Weddings

ROSS-LOPASSA

Miss Merle Lopassa of Edinburg and Leonard Ross of Mt. Auburn were married Thursday afternoon by Rev. R. E. Henry in the parsonage of the First Christian church. They were accompanied by Mr. and Mrs. Otto Ross, brother of the bridegroom.

NOVACK-SIWECK.

Emanuel Novack, son of Mr. and Mrs. Godfrey Novack and Miss Martha L. Siweck, daughter of Mr. and Mrs August Siweck, were married at 2 o'clock Thursday afternoon in the parsonage of St. Johannes' Lutheran church by Rev. Robert Heyne. They will make their home at 637 West Leafland street.

Meet Friday.

The Constitutional Convention club will meet in the Association of Commerce rooms at 4 o'clock Friday afternoon. Country women are urged to attend.

Illini Home Bureau

A Home Bureau meeting will be held in the Illini church of Illini county at 3 o'clock Friday afternoon.

AUTO GOES OVER BRIDGE INTO CREEK

Driver of Comet Has Narrow Escape.

One of the four cars which were being driven through to Newark, N. J., for the Essex Motor Sales co., of that city, and which left here last Friday noon, went through the railing of a small bridge about fifteen miles this side of Indianapolis that night about nine o'clock and fell up side down into the water seventeen feet below.

Fortunately this car was not the last car of the four or Des Raismes, the driver who was caught under the machine with his head under water, would have drowned quickly.

SAVED DRIVER

The driver of the following car jumped off the bridge as soon as he reached it without knowing what he was getting into but knowing that something serious had happened. It was fortunate that he did so as he was able to hold Des Raismes' head out of the two feet of water into which he was pinned by the weight of the car. After his release the injured man was rushed to a hospital.

LIGHTS BURNING

Two hours and a hal. later garage men with the drivers returned to get the car out of the stream. To their astonishment on looking over the bridge to see the lights of the car, still below the surface of the water, burning brightly. It was necessary to cut the wires from the battery to extinguish the lights.

The car was badly damaged, the radiator broken and the top badly smashed as the machine toppled entirely over after hovering on a ballance on the edge of the bridge long enough to permit the driver to make a start to escape before it fell.

The machine was expected back in Decatur under its own power Thursday.

PRESENT REVIEW CUP FRIDAY

Mayor C. M. Borchers to Make Address at Durfee School.

An athletic program will be given at the meeting of the H. B. Durfee school Mothers' club Friday afternoon. The Review cup will be presented to the Durfee team, winners of the senior school baseball league. Mayor C. M. Borchers will make the presentation speech.

Miss Julia McGuire, physical director at the school, will present the pennants won by the track and basketball teams last spring. Arthur Kincaid will give a talk on athletics overseas. A potted plant will be given to the room having the largest number of mothers present at the meeting.

LINCOLN.

The Lincoln school Mothers' club will meet at 3:30 Friday afternoon. Rev. J. W. McDonald will speak on "Team Work." Frances Erwin will give a reading and the first grade pupils will sing. A new vice-president will be elected at this meeting. Mrs. McCullum will have charge of the refreshments to be served.

RIVERSIDE.

The wiener roast held at the Riverside school Tuesday evening was very successful. The women took in more than $90. A called business meeting of the club will be held Thursday afternoon.

ROACH.

A scale for weighing children has been installed at Roach school. The teachers of Roach school had a wiener roast Tuesday night followed by a theater party. Miss Matheny's room won the pennant for having the largest number of mothers present at the last Mothers' club meeting.

OGLESBY.

The Oglesby Mothers' club will have a wiener roast at the school Friday evening. Sandwiches, ice cream and popcorn will be on sale. A program will be given in the building and there will be a fortune teller present.

DENNIS.

A called meeting of the Dennis school Mothers' club will be held at 3:30 Friday afternoon. Plans will be made for an entertainment, probably a supper, to be held soon.

MARY W. FRENCH.

The 525 pupils at Mary W. French school got out the building in sixty-seven seconds at a fire drill held Wednesday.

JACKSON.

Boy Scout troop 18 of the Jackson school had a wiener roast at Fairview park Wednesday evening. Eighteen boys went. They hiked to the park from the school. The next regular business meeting of the troop will be held at 7 p. m. Monday.

JASPER.

Jasper school Mothers' club will meet at 3:30 Friday afternoon. Miss Sarah Imboden will talk to the mothers.

CHICKEN FRY AT CISCO TONIGHT

A chicken fry and venison supper will be given at the Presbyterian church at Cisco, Ill., Thursday evening, Oct. 9. The venison has been purchased from W. H. Jones who has been raising deer for a number of years. He keeps a herd of a dozen or more.

Serving will begin at 5 o'clock. Seventy-five cents will be charged for the chicken dinner and twenty-five cents extra for the venison. To go to Cisco from Decatur, take the north route to Emery, east to Argenta, north and east to Cisco.

DECATUR SOLDIERS RETURNING HOME

Basil Mason, son of Mr. and Mrs. W. Mason, Mt. Pulaski road, returned home Sunday after serving two years and five months in the navy. Mr. Mason served as a radio operator on the U. S. S. Tonopah. While at sea, he was on the Mediterranian sea and visited in Turkey, Portugal and Gibralter. He brought home some beautiful pieces of Maltese lace among other souvenirs. He was stationed in the Azore islands about a year. Mr. Mason has received his discharge and expects to be at home for some time.

A number of friends gathered at the Mason home Wednesday night and had a wiener roast and informal welcome party for Basil Mason.

THOMAS SMITH VICE PRESIDENT

Decatur Man Honored by State Elks.

OTTAWA IS SELECTED

Convention is Practically Closed at Noon.

Thomas B. Smith, exalted ruler of the Decatur lodge of Elks, was elected first vice president of the state organization at the convention which practically closed at noon here Thursday.

Louis Boismenue of East St. Louis was elected president and the other state officers elected are as follows:

Second vice president — Charles Wallace, Evanston.

Third vice president — Eugene Welch, Galesburg.

Secretary—J. O. Smith, Kankakee

Treasurer—W. W. Arnold, Robinson.

Executive committee—Orville L. Davis, Champaign, north central district.

Harry Beals, Chicago, Northern district.

William Guilett, Mt. Carmel, southern district.

Sam Ryerson, Rock Island, western district.

OTTAWA SELECTED.

Ottawa was selected as the meeting place for the convention of 1920 and already plans are being made for the event as a great gathering of Elks at the new state park at Starved Rock. It is expected that the meeting next year will be one of the largest ever held as special arrangements will be made for the care of those who motor through for the visit to the park as well as to the convention.

After the adjournment at noon when all the business of the meeting had been concluded many of the delegates caught the earliest trains for home.

CONVENTION NOTES.

The election was a very harmonious one there being little contest for the places.

J. O. Smith, the new secretary, is city editor of the Kankakee Democrat.

The name of the new president is pronounced Bwahmenoh even if it is spelled Boismenue.

Hotel accommodations were decidly scarce Wenesday night. At one hotel a delegation asked for thirty-five rooms Wednesday noon without having had any reservations. They might as well have asked for 350. The two conventions at the same time put the hotel men at the wits' end to care for their guests. One hotel had seven beds in one room and still the would-be guests begged to be taken in somewhere.

One man who had been in the restaurant business in Dtcatur many years stated that he took in more money Wednesday than in any other single day in his business life. He served over 200 pies alone during the day. Breakfast ran right up until the noon serving hour in most of the eating places in Decatur Thursday.

The Illinois Central will provide a special train for the return of the Pana people. The special will leave Decatur at 1:30 Friday morning.

ARGUE CHARGE OF INSTALLATION

The question of the right of the Decatur telephone company to charge $3.50 for installing telephones was taken under advisement at a meeting in Springfield Thursday morning. Attorney Ralph Monroe of Decatur, and representatives from Champaign, Chicago, Danville, Murphysville and Carthage were present to argue against the right of the company to make this charge for installing phones. The ruling went into effect during the war.

POLICE NOTES.

The police believe they have a thief in the person of John Holloway, aged thirty-one, giving his address as Memphis, Tenn. Holloway was arrested at 2:15 o'clock Thursday morning in the alley in the rear of 121 South Oakland avenue. He had an automatic pistol, a brake-shoe key, such as is often used in place of a jimmy, a flash light, skeleton key and other articles useful to burglars. He was locked up for investigation.

An Night Watchman Riney Swartz was making his rounds through the alleys in the business district Wednesday night he discovered two boys cutting open a traveling bag. The boys saw the officer and ran before they had time to get anything out of the bag. They had cut one side almost entirely out of it. The bag was taken to police headquarters and papers inside indicated that it belonged to E. L. Boll of San Benito, Tex.

Lawrence Marshall, aged fifteen, John Lovins, aged thirteen and Claude Peacock aged fourteen all of Clinton were arrested by Building Inspector A. H. Cope and Patrolman Drum Wednesday night. They were discovered stealing articles from automobiles that were parked on the streets. They had hammers, flash lights, etc., and were locked up for further investigation.

Charles Trainer's Ford car was stolen Wednesday night, but was found later on Wabash avenue by Officers Striefski and Walker.

A burglar entered the home of W. P. Morris, 750 West Macon street, Wednesday night, but the hired girl scared him away before he could get anything of value. On entering the house the girl heard a noise upstairs and thinking it was some member of the family she called and the burglar kicked a screen out of a window and jumped to the ground. Nothing was missed from the house.

The case of Harold Denise, charged with making threats and carrying concealed weapons was continued for ten days by Justice Dickinson Wednesday afternoon.

Mrs. F. E. Harder of New York City who is visiting in the city, reported to the police that she had lost her purse somewhere between William street and 420 North Stone street. The purse contained $32 in cash and a number of keepsakes that had belonged to her father who died recently. The police were notified.

The case against W. H. Forbes, charged with violating the traffic ordinance, was dismissed by Justice Dickinson Wednesday afternoon.

DECATUR STORE IS AHEAD OF MEMPHIS

Dr. B. L. Maienthal Makes Comparison.

Saturday, Oct. 11, is the official fiftieth golden anniversary day for the Linn & Scruggs' store, although the celebration began the first of the month. It was on Oct. 11, 1869, that the original store was opened for business. Nothing special has been planned.

In compliment to the local store is a statement which Dr. B L. Maienthal makes on a card to The Review, written in Memphis, Tenn. He says: "The largest store here celebrating their fiftieth anniversary this week, but no such ads as Linns. Neither as nice window and store decorations."

CONCERTS ENJOYED.

The two hour concert given Tuesday afternoon by the Lincoln Square theater orchestra in the main store attracted many persons and was greatly enjoyed. Especially favorable were remarks made by visiting delegates in the city who were in the store.

Tonight at 6:30 o'clock, the Haydn trio will give a concert, to which everyone is welcome. This will be in the music store, 219 North Water street.

SIXTEEN SPECIAL OFFICERS NAMED

Will Preserve Order About School Buildings.

NO MERCURY BULBS

Lights to Be Turned Out at 11:30 O'clock.

Fly, little bad children, fly! Sixteen special policemen are ready to nab you, if you don't be good.

At the council meeting Thursday morning, at the request of the board of education, the following janitors and engineers of the public schools were appointed special policemen without pay from the city to preserve order in and about the school grounds:

SPECIAL OFFICERS

D. E. Baldwin, Robert Burns, S. T. Coay, Jesse Etchison, C. A. Greenwood, J. F. White, J. H. Riggs, S. J. Roberts, M. A. Crowder, J. R. Castle, George Denny Ben Fleck, E. M. Kalh J. O. Long, J. T. Sanderson, Frank J. Velten.

On motion of Mayor Borchers the appointment was confirmed and the bonds approved.

On recommendation of Mayor Borchers the superintendent of parks was authorized to trade a team of horses for a team of mules and pay $125 difference.

WOULD SEE EQUIPMENT

Commissioner Van Praag suggested that the surplus equipment of the street department, stored at the city yard building, be sold and the proceeds applied on the purchase of other equipment that is really needed. He said that there was a big sprinkler tank mounted on heavy running gears that is never used, besides some other pieces of apparatus. Mayor Borchers told him to make out a list of the surplus equipment and turn it in and then the council could decide what to do with it.

Commissioner Van Praag also suggested that the building ordinance be made more stringent. He said that too many houses were being constructed of old materials from houses that had been condemned. He said one man biult three new houses out of one old one; that many houses are now being built of cheap materials and that they are just thrown together and in a few years they will have to be condemned. Mayor Borchers suggested that Commissioner Van Praag write an amendment to the ordinance if he thought the present ordinance wasn't strong enough.

NO MERCURY BULBS. .. ..

Commissioner Ruthruff told the council that a shipment of mercury bulbs ordered over a month ago has not arrived; that he had wired Chicago and Pittsburgh in the hope of getting a supply, but that he was told it would take at least two weeks to get them here. One circuit has already been cut out. There are thirteen circuits in the city lighting system, and one bulb is necessary for each circuit. He said that in order to make the supply on hand last as long as possible the lights would be turned off at 11:30 each night when the moon is shining. This met the approval of the council.

TWO COUNTIES TO BUILD BRIDGE

Sullivan, Oct. 9.—A meeting was held in the supervisors' room in the court house Wednesday afternoon at 1 o'clock and atended by officials from Shelby and Moultrie county in connection with the County Line bridge east of Findlay. It was decided at the meeting to build this bridge which it is estimated will cost something like $40,000 and of that amount Moultrie county will have to pay one third, between $13,000 and $14,000.

MAY LET CONTRACT SOON

It is the intention of the officials to have the work in connection with the letting of the contract finished so that a contract can be let some time in December. The bridge has been needed for a long time and is located in the edge of Shelby County and about three miles east of Findlay.

MASONS HONOR G. N. TODD.

At the close of a meeting of Sullivan Lodge No, 764 A. F. & A. M. Wednesday evening a smoker was given in honor of G. N. Todd of Mattoon and formerly of this city who has only recently been made a thirty-third degree Mason. Judge George A. Sentel was toastmaster and a number of excellent speeches were made during the evening. Those speaking were Past Grand Master Burnap of Edwardsville; George W. Monroe of Bloomington, George Pumphreys of Bloomington; Professor O. B. Lowe, Dr. W. P. Davidson, Dr. O. M. Williamson, Rev. Logan, George W. Miller, Drs. S. T. Butler and G. N. Todd of Mattoon. At the close of the speech-making a general social time was held.

PERSONALS.

Mr. and Mrs. Clarence Miller of this city and Mr. and Mrs. Charles M. E. Reeves of Arthur left Wednesday night in an automobile for Camp Taylor, Ky., for a short visit. Both men were in camp at Camp Taylor, when they were in service, and before they went to France.

Scraps of News

KRAUT

Cabbage for kraut is being offered in some Decatur stores at two cents a pound, $2 a hundred. Considerable cabbage is being bought at this price.

NEW CELLIST

Albert J. Caestecker has taken the position of cellist in the Lincoln Square theater orchestra. Mr. Caestecker came to Decatur from the orchestra in the Riviera theater in Chicago where he has been playing for some time.

He takes the place in the local orchestra of Lyle Downey who has entered the University of Illinois.

IMPROVING.

The condition of Billy Mills, who was shot more than a week ago, is steadily improving. He is at St. Mary's hospital and is resting easier than he has been.

WANN DRIVING MILLIKIN SQUAD

Prepares for Game With Normal Saturday.

Coach Norman G. Wann is putting his squad through a week of hard preparation for the Illinois State Normal game next Saturday on Millikin field. The Millikin coach is discounting all of the "bear stories" from the hostile camp and is determined to put as strong a team as possible on the field against the school teachers.

A hard scrimmage was held Wednesday night with the varsity gaining at will through the scrubs while the seconds' attack was powerless against the varsity defense. The coach is working out a number of new plays but probably will keep them covered up against Normal unless he is forced to use them.

FIRST CONFERENCE GAME.

The Normal game will mark for Millikin the opening of the Little Nineteen season. A mass meeting will be held by the students Friday evening from 4:30 to 5:30 p. m. on the football field and yells and songs will be selected. The student body will occupy the north bleachers Saturday at the game. Class meetings were held Thursday morning and the class presidents were made responsible for the appearance of the members at the mass meeting Friday afternoon.

New rules will be enforced Saturday regarding the parking of automobiles. The only entrance to the field for cars will be at William street and the machines will leave by this entrance also. The south entrance to the field will be closed to automobiles but pedestrians will enter by this gate.

CAN SEAT 1,000.

There is seating capacity for 1,000 people and new stands will be erected in the near future.

The new football sweaters and socks have arrived and the team will wear them against Normal Saturday. The sweaters and socks are alternately striped blue and white and the team will make a nifty appearance.

SPECIAL COMMITTEE IS APPOINTED

To Study Problem of Y. W. C. A. Boarding Home.

At the Y. W. C. A. board meeting Thursday morning, Mrs. E. N. Wells, Mrs. H. M. Owen and Miss Mary Love were appointed a committee to act with the executive committee of the board in studying the problem of a boarding home for girls. Boarding houses for girls in cities the size of Decatur will be studied particularly The Y. W. C. A. has not taken possession of the house bought recently. They will build as soon as possible and the investigations being made by the committee will help to decide what type of building they will build and how it will be run.

Miss Jessie Lockett will teach classes in French at 4:30 Thursday afternoon for the women and at 7:30 Thursday night for employed women and girls.

Educational classes will have their first sessions Thursday night.

News from the Sick

Lee Boland was operated on Thursday morning in the Decatur and Macon county hospital for acute appendicitis and is getting along nicely.

URGES ECONOMY IN SUGAR USE

J. S. McClelland Predicts Shortage to Mar. 1.

USING CORN SYRUP

One Resturant Makes Pies Out of It.

"Aside from temporary relief I honestly do not think that we will have any let-up in shortage of sugar before March 1 and I doubt if we will get much relief before this time next year," said J. S. McClelland, president of the McClelland Grocer Co.

"I am not trying to create a scare about the situation but when the sugar administration decides that all the United States west of Pittsburg and Bufaflo shall have only beet sugar from now on it means that there is simply not enough sugar in existence to meet that need. It isn't here and it can't be made here until another beet crop comes in to supplement this year's crop.

NO BROWN SUGAR.

When asked if there was any brown sugar Mr. McClelland said that no brown sugar was made in the manufacture of beet sugar. When in Chicago recently a broker asked him if he could hadle a carload of the "soft" sugars, commonly known as the "C" or browns.

"Just try me," said the Decatur man. "I am buying anything that is sweet and I will take a carload of soft sugars without regard as to how brown they are. Just ship it, if you get, without any further instructions from me."

MUST ECONOMIZE.

Consumers, says the Decatur wholesaler, should really practice the most careful economy in the use of sugar. Sweetening is needed and it is absolutely certain that there is not sufficient to last unless the strictest saving is practiced in its use.

What a quantity of corn syrup we could sell if we had it now," said A. E. Staley, head of the Staley Manufacturing Co. The demand for syrup is practically without limit and that for glucose is almost as great."

USE CORN SYRUP.

"Corn syrup is used in very great quatities west of the Mississipi river. This is a surprising fact to the ordinary observer but seemingly the population west of the big river is more accustomed to corn syrup than that in the east for the proportion of such sweetening used in the west is very much greater than in the east where the old fashioned molasses maple syrup and sugar are used much more freely."

SYRUP IN PIES.

"I made pies yesterday with corn syrup as a sweetner," said a restaurant man Wednesday. I cannot get sugar so I am trying the corn syrup and it works well."

"I loaned a fellow restaurant man a supply of sugar today," said a Decatur caterer. I had none to spare particularly but I did help him out some."

"Sugar bowls are off the table at our place until more certain relief is in sight," said another.

MRS. V. H. CARY DIES AT AGE 79

Mrs. V. H. Cary, mother of Mrs. John Spotts, died in the home of her daughter, 205 South Edward street, at 12:20 Thursday noon. She was seventy-nine years old. About three weeks ago she fell and broke her hip and has been in a very serious condition since then. She has been making her home with her daughter for the past six years. She is survived by her husband, Volaski Cary, and the following children, Mrs. John Spotts, Miss Zoe Cary and Dow Cary. Funeral arrangements have not been made.

STEWART STORE EMPLOYES OUTING

Go to Mt. Zion Tonight for Big Chicken Fry.

The yearly outing for employes of the Stewart Dry Goods Co., will take place tonight, when between ninety and one hundred persons of the store force will go to Mt. Zion for a big chicken fry.

Fifteen cars will be used to take the people out, and they will leave town at 6 o'clock. The chicken supper will be served by the ladies' aid society of the Mt. Zion Christian church.

HALF OF HOUSING FUND IS RAISED

Expect to be Ready to Receive Applications Next Week.

More than half the fund needed for the starting of the housing committees' plan for the erection of homes in Decatur has already been raised. It is quite certain that it will be completed by the end of the week and the trustees to be appointed by the committee to handle the matter will be ready to receive applications from those who want to build.

Meets Tuesday

The regular monthly meeting of the board of education will be held next Tuesday afternoon at 2 o'clock. Several important matters have been awaiting a meeting of the full board and it is probable that President Augustine will not have returned from his speaking tour in time to be present at this meeting.
